Everyone is their own individual whether they display it through the way they dress or the way they express their opinions.

Our theme "Shades of '88" refers to the different groups of people at Waltrip. We hope to show you how people and their various shades of fashion, interests, background, and Waltrip spirit can come together to produce an exciting and successful year.

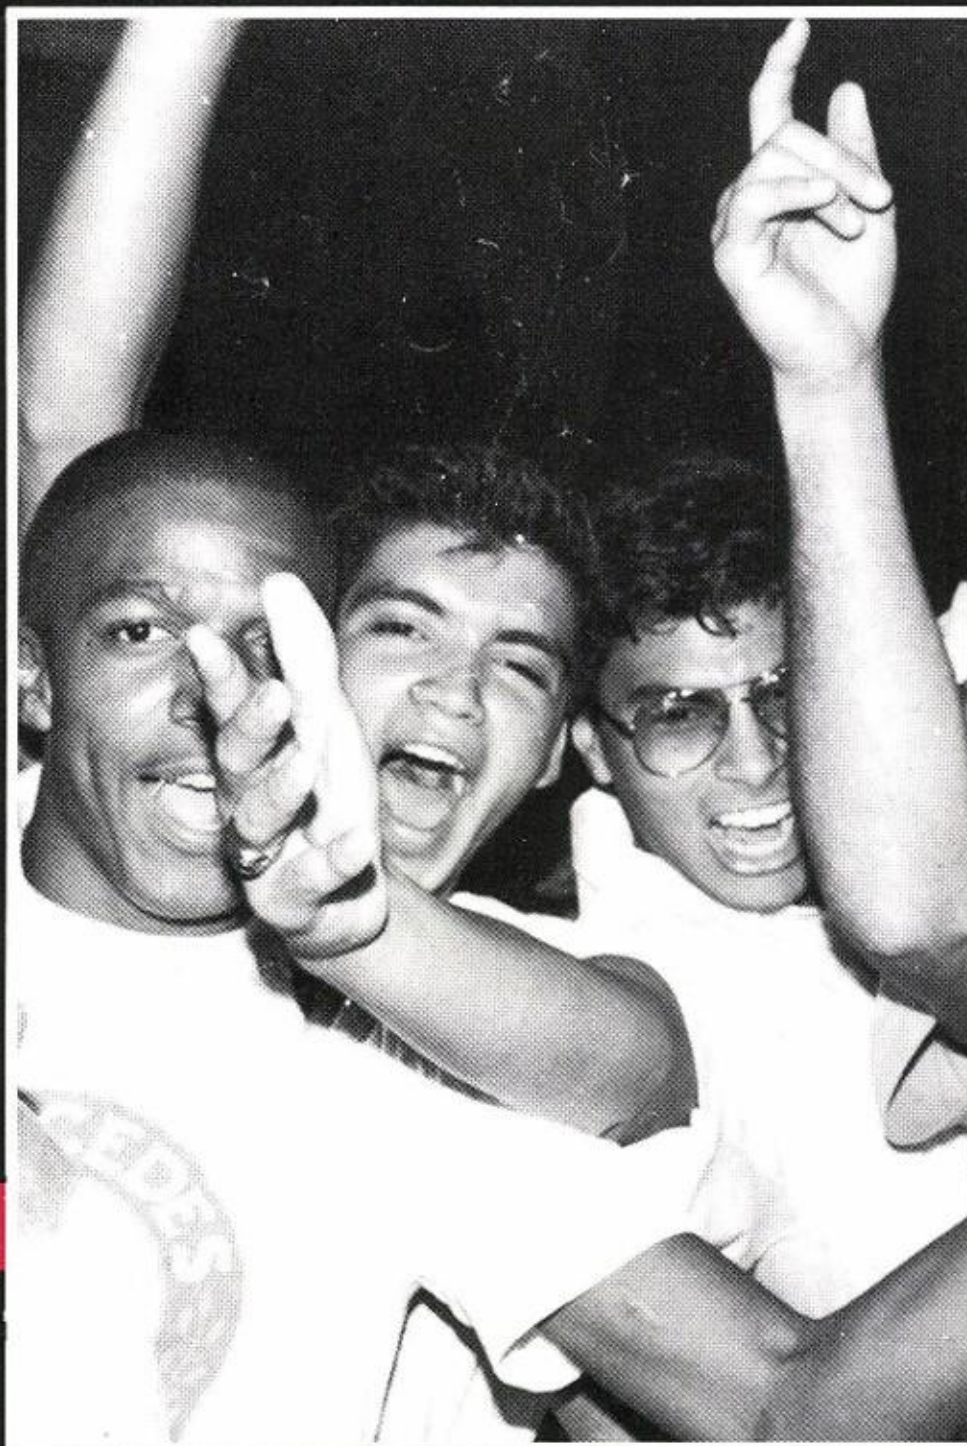

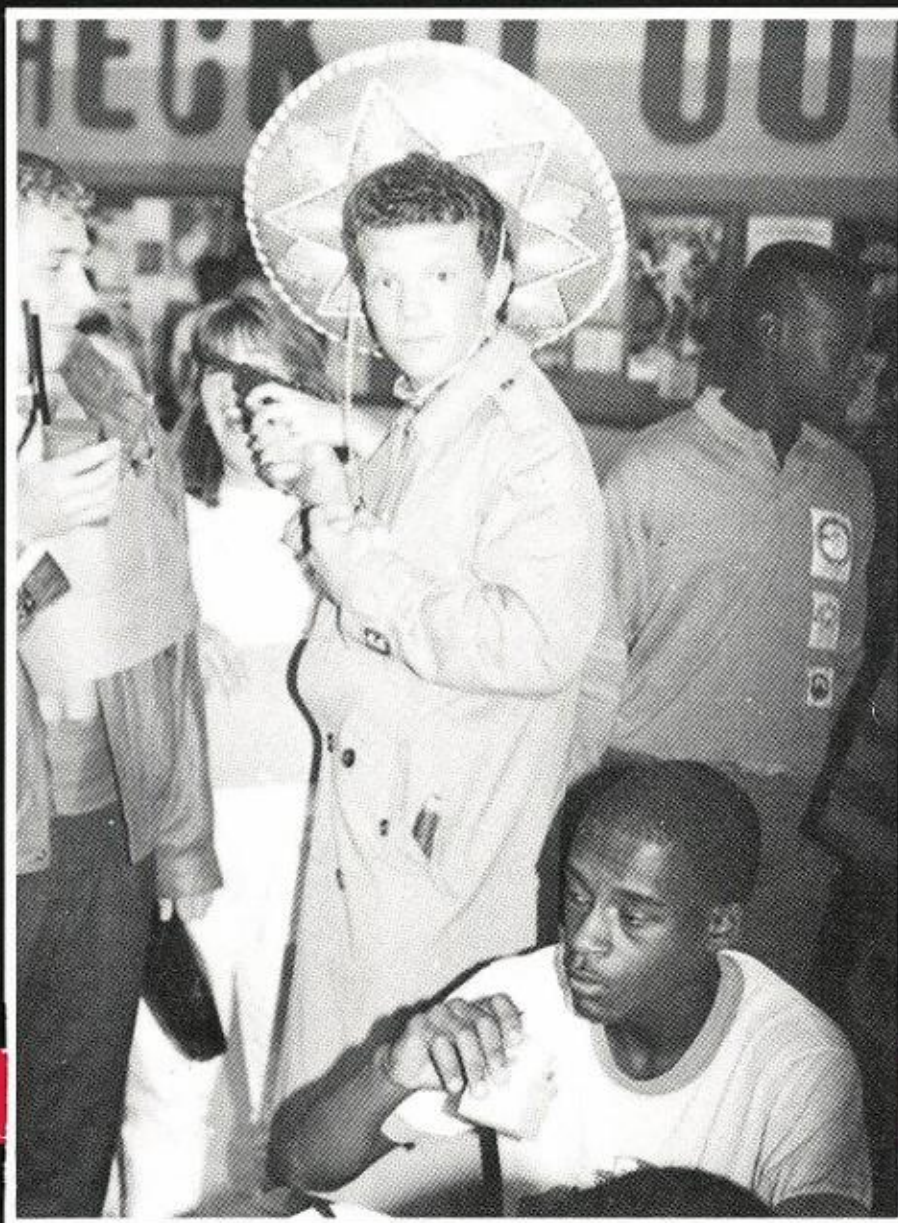

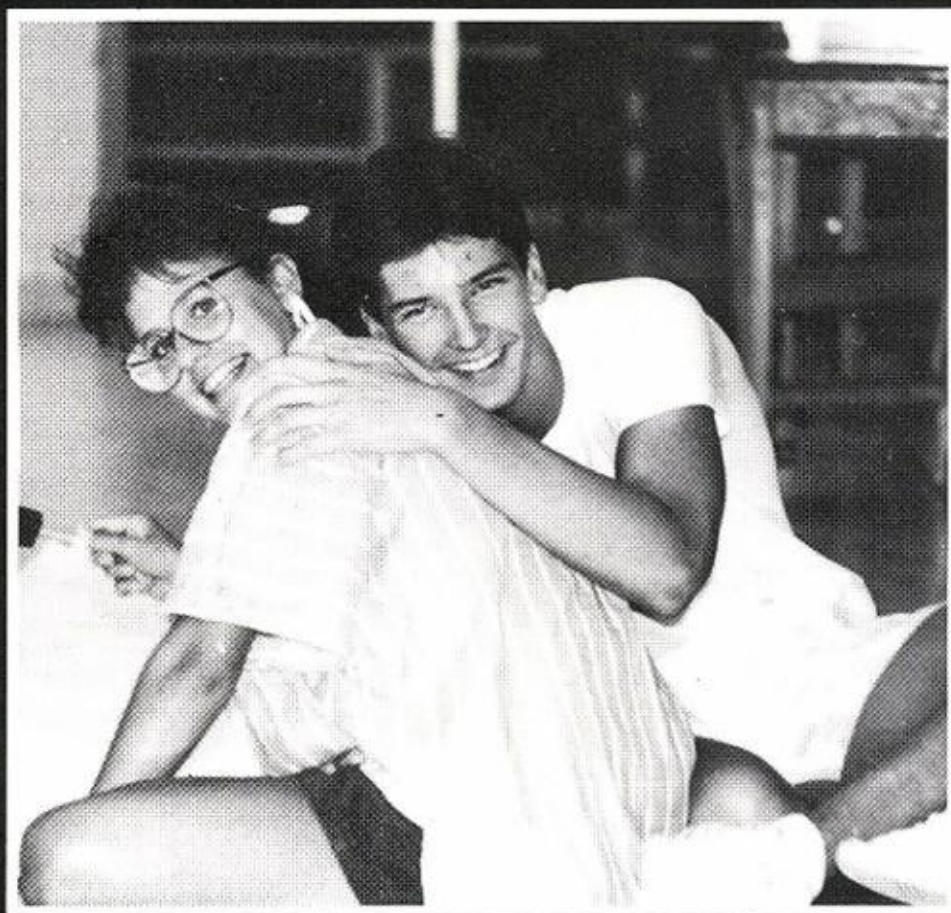

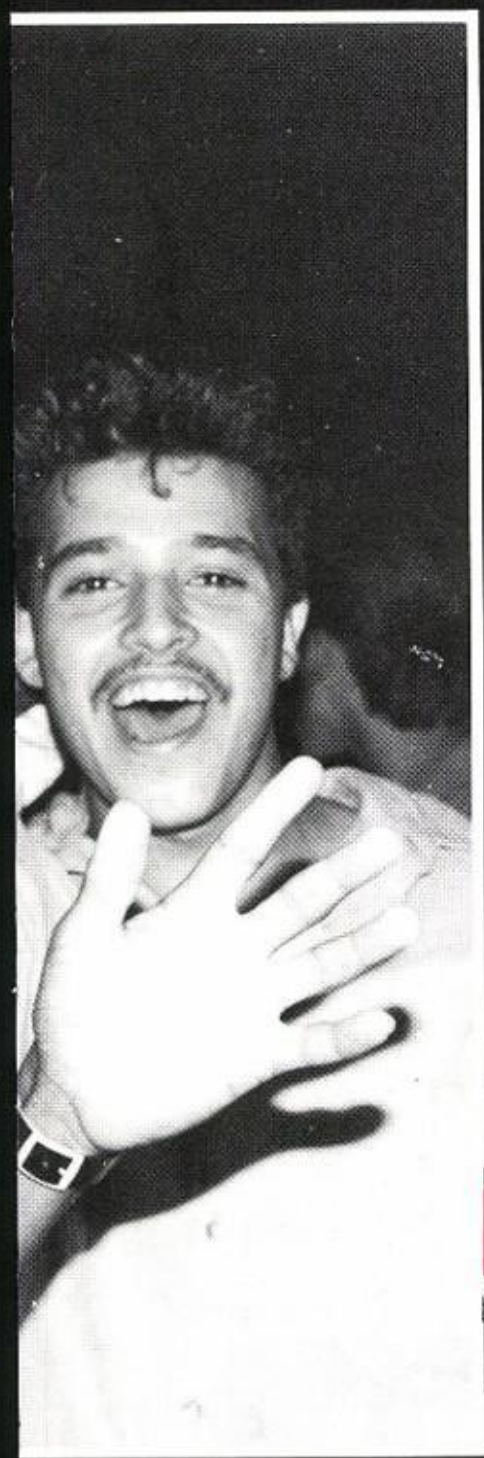

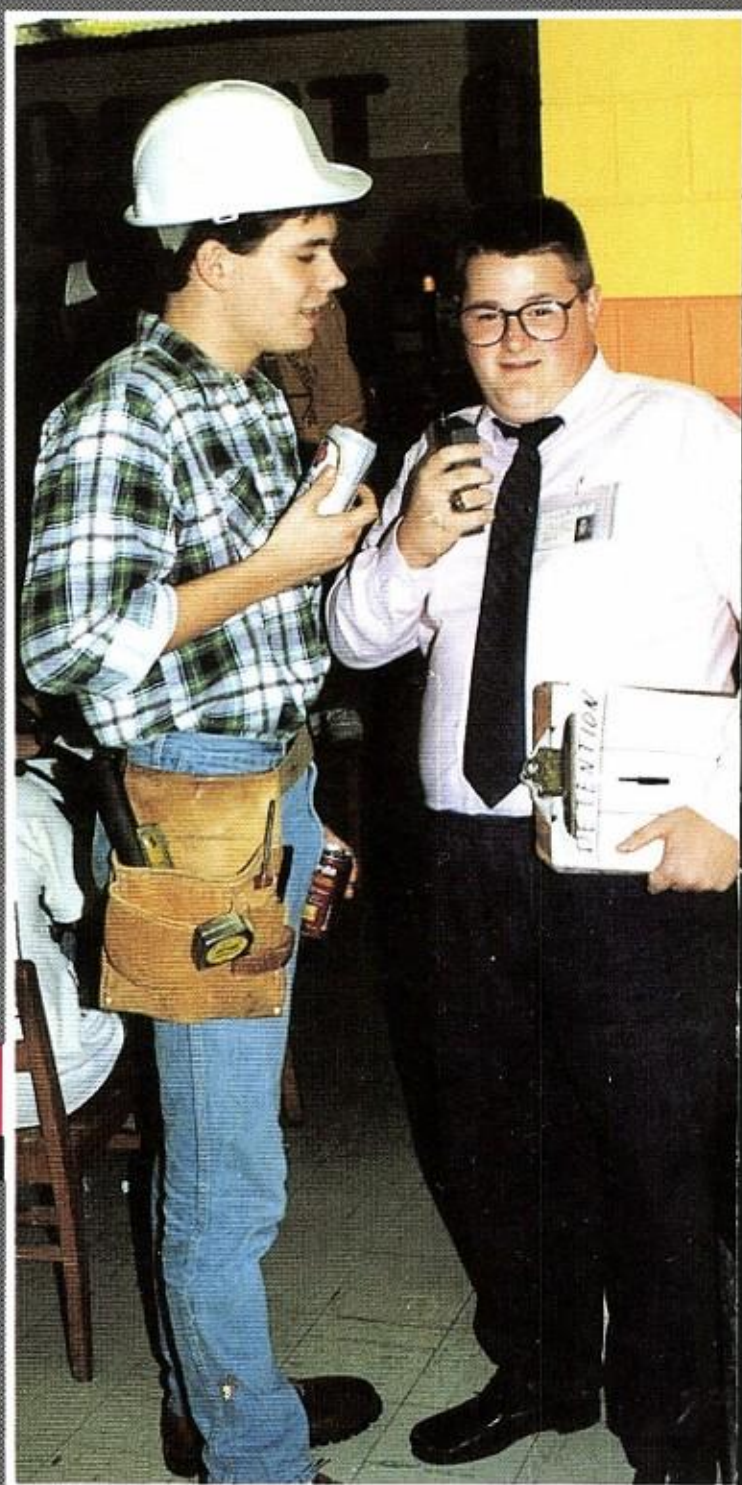

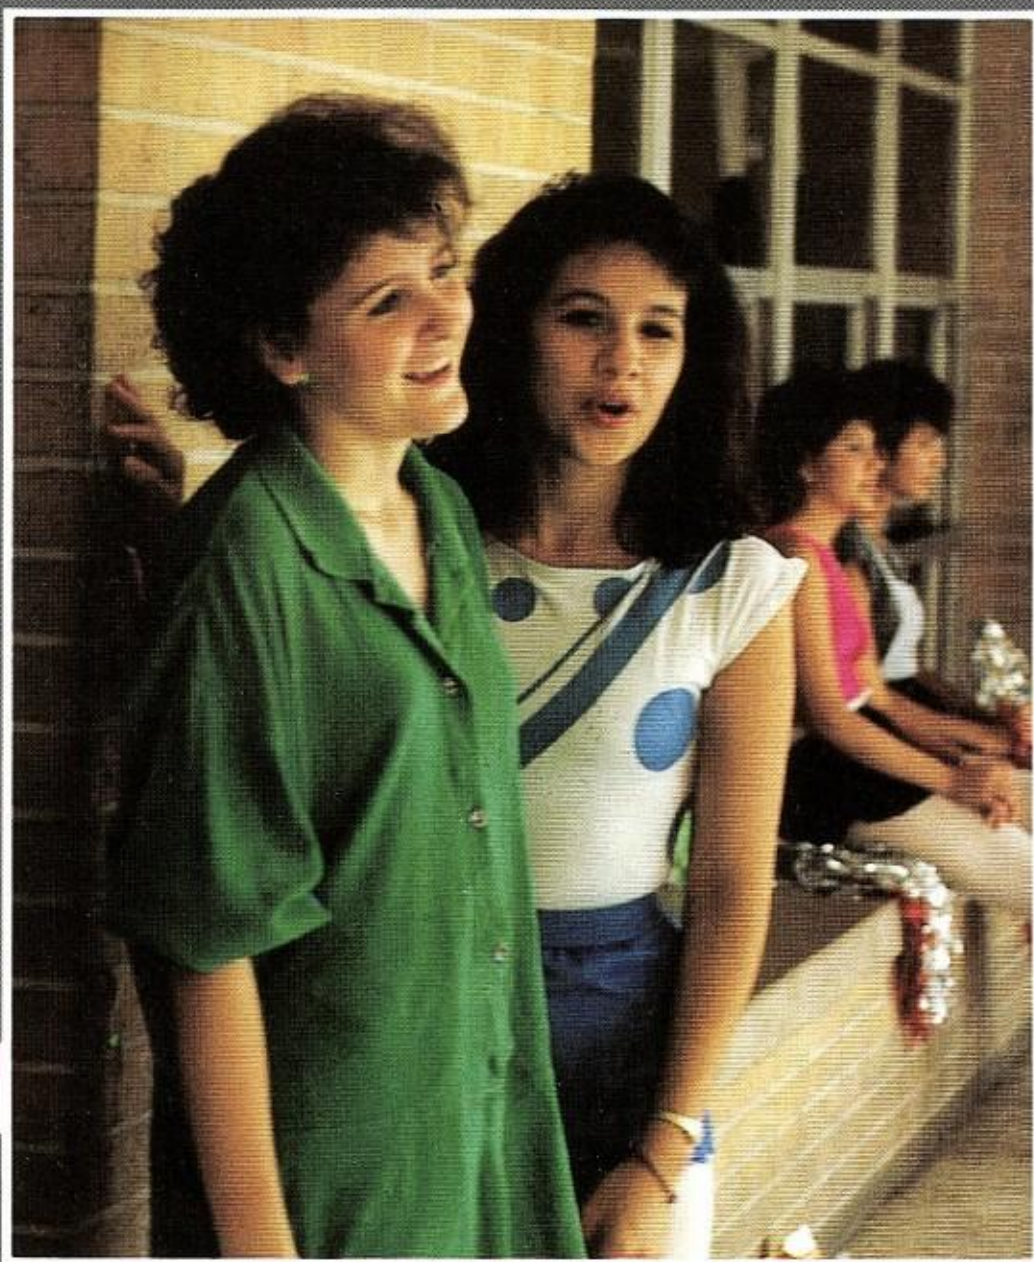

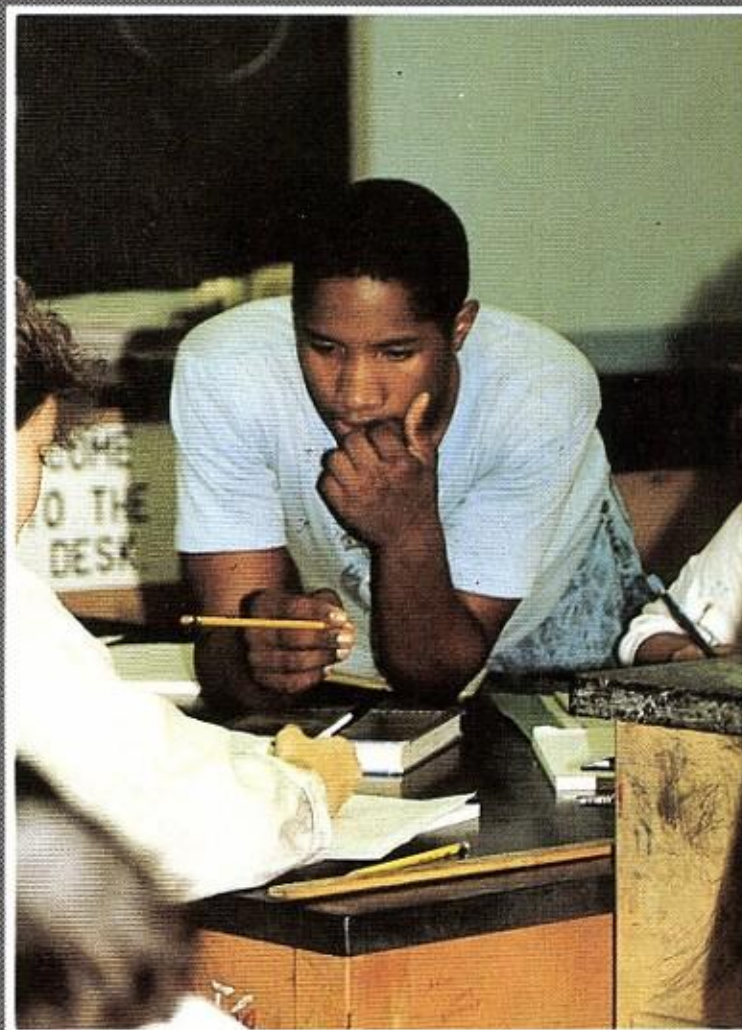

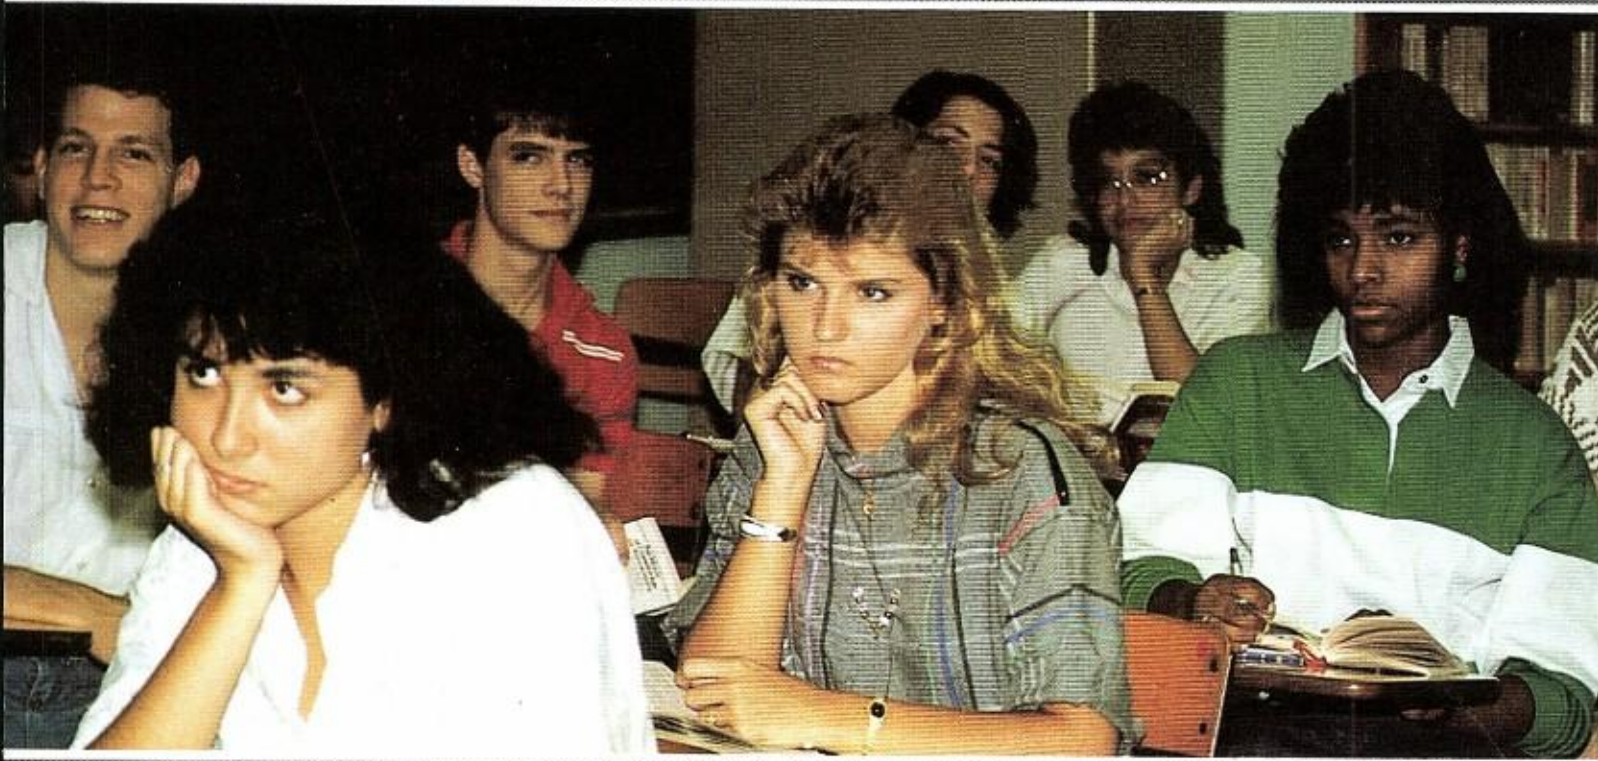

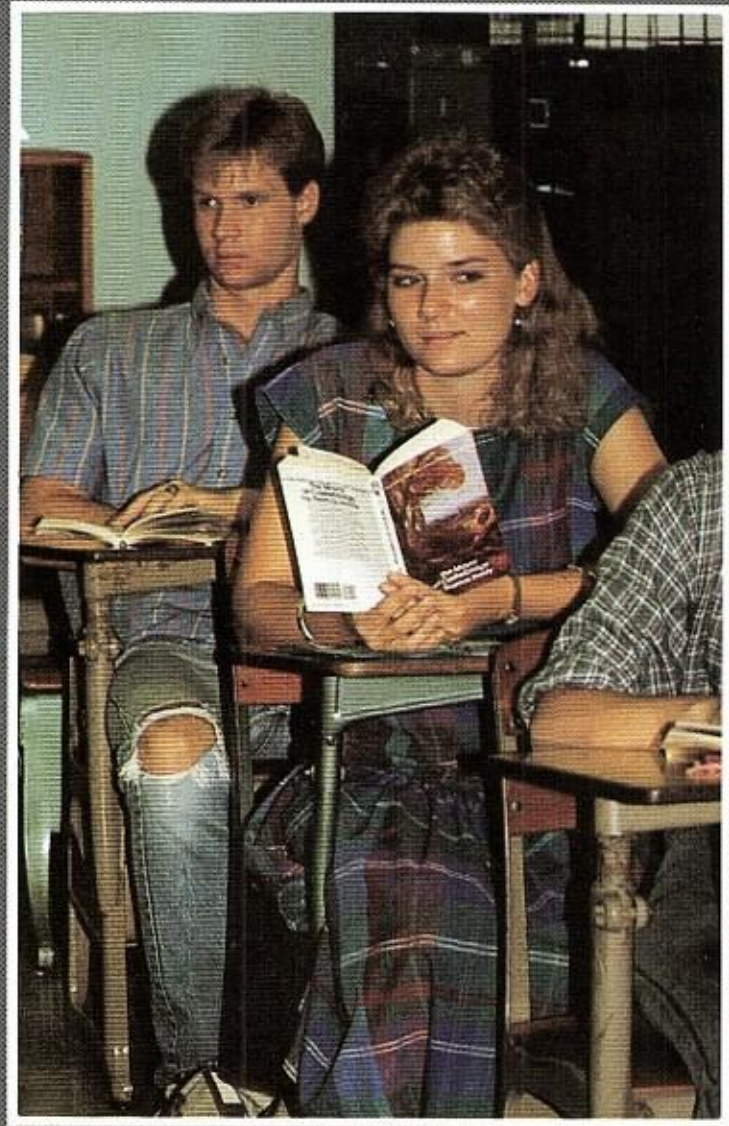

Shades of enthusiasm and student participation created a memorable year for everyone. The student body did an outstanding job of supporting both athletic and spirit-raising activities throughout the fall and spring semester.

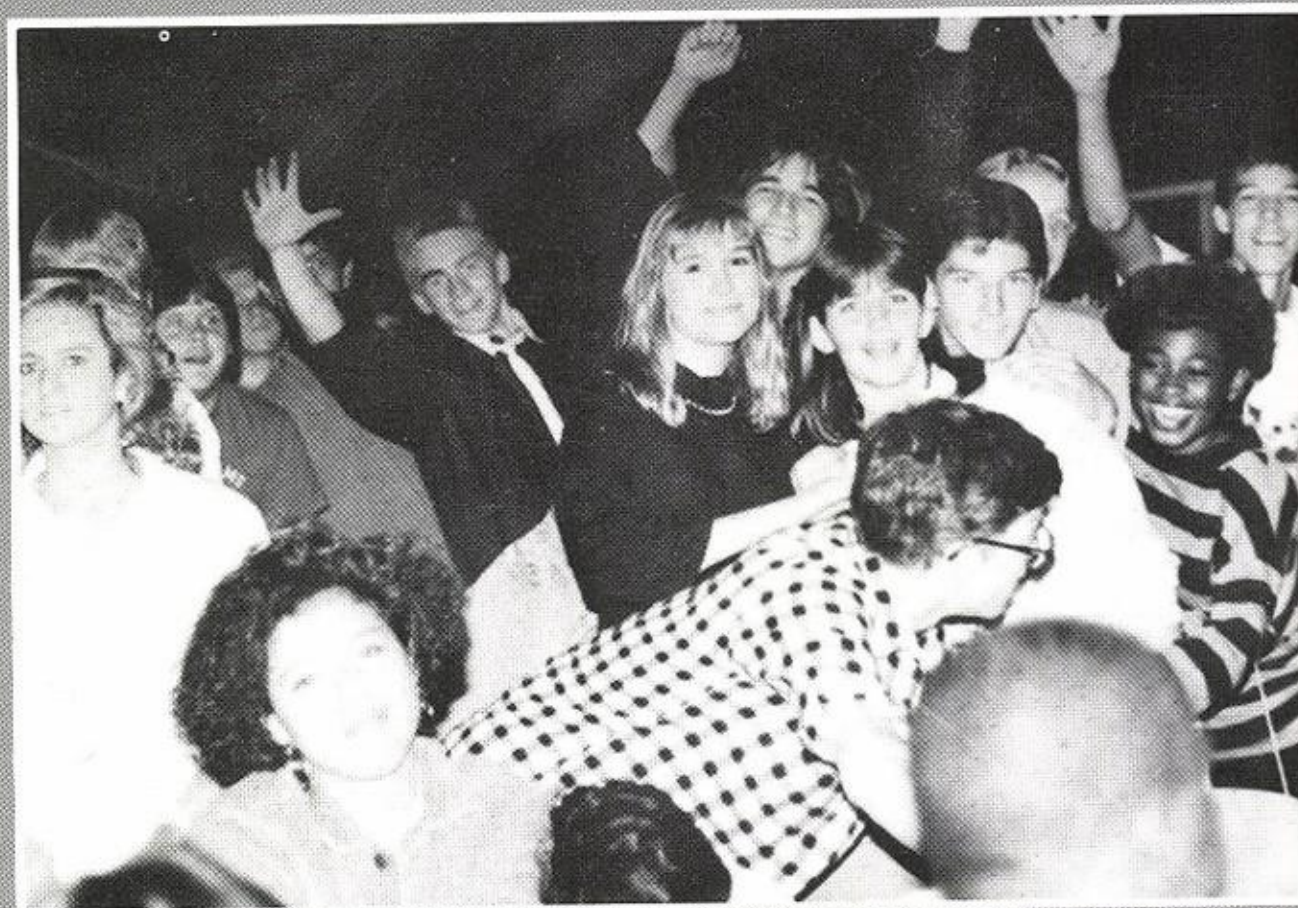

An INVOLVED student body and a REMARKABLE athletic department combined and made the 1987-1988 school year a smashing success.

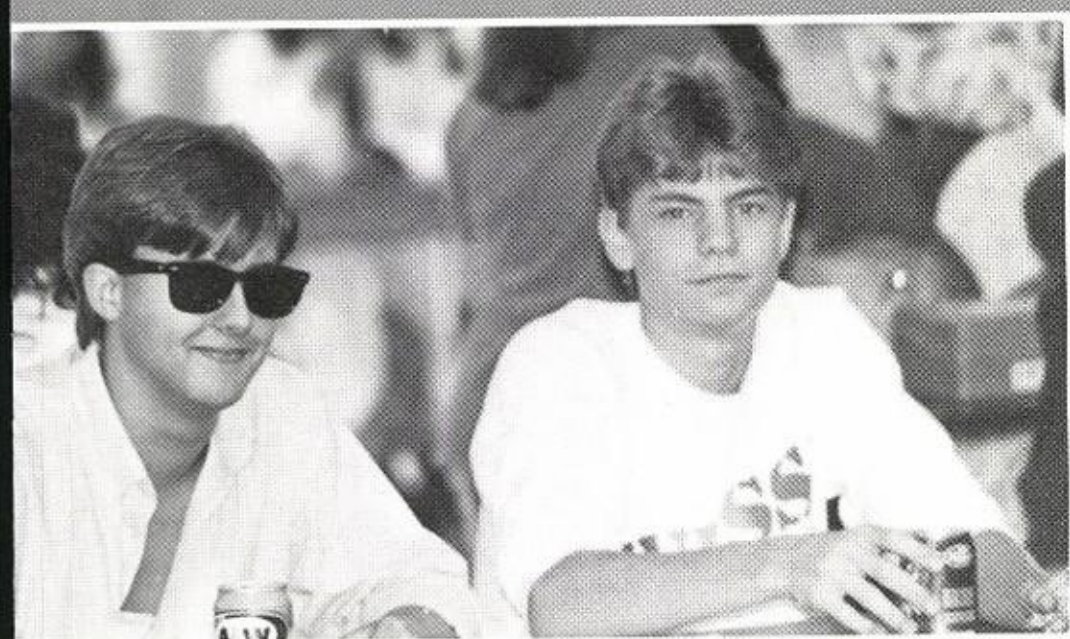

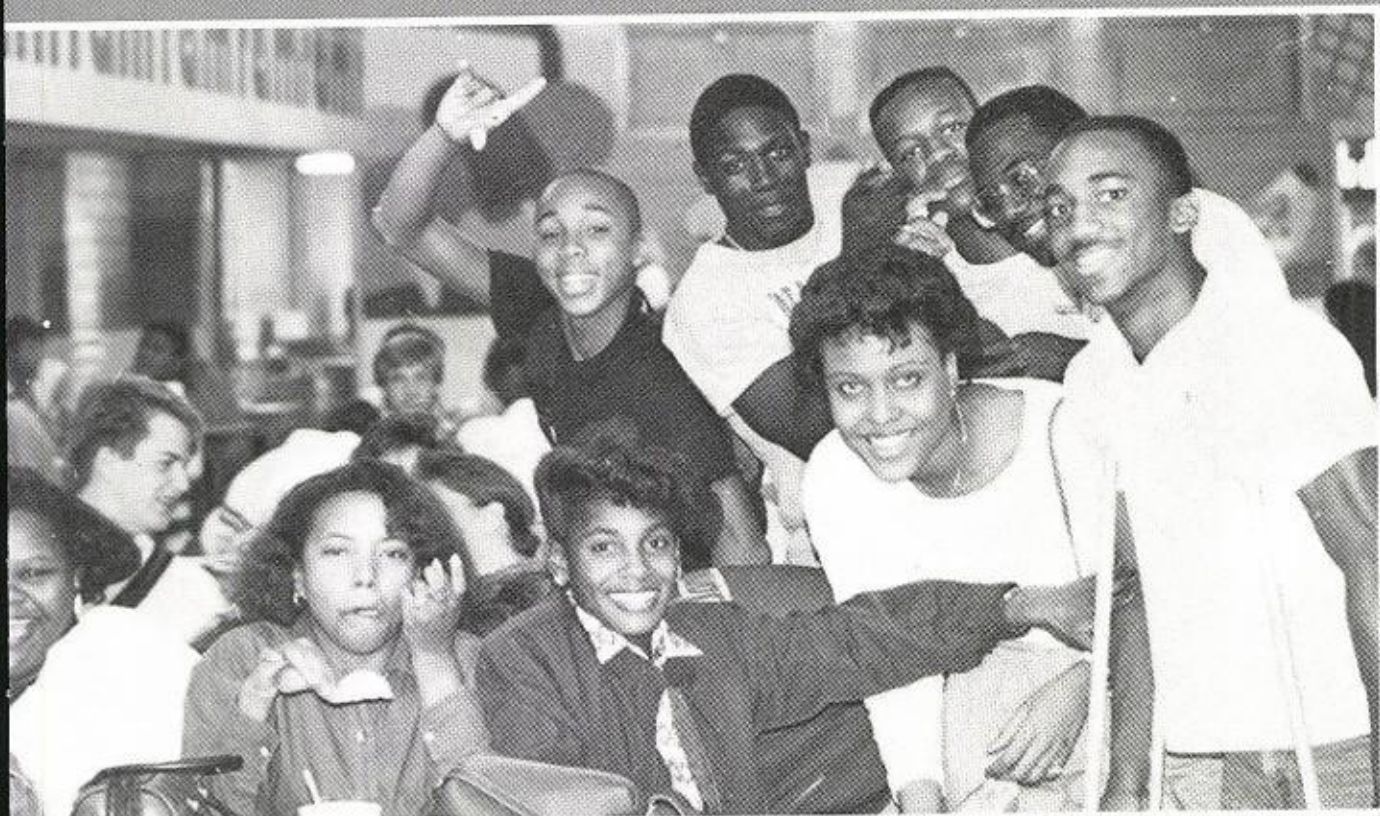

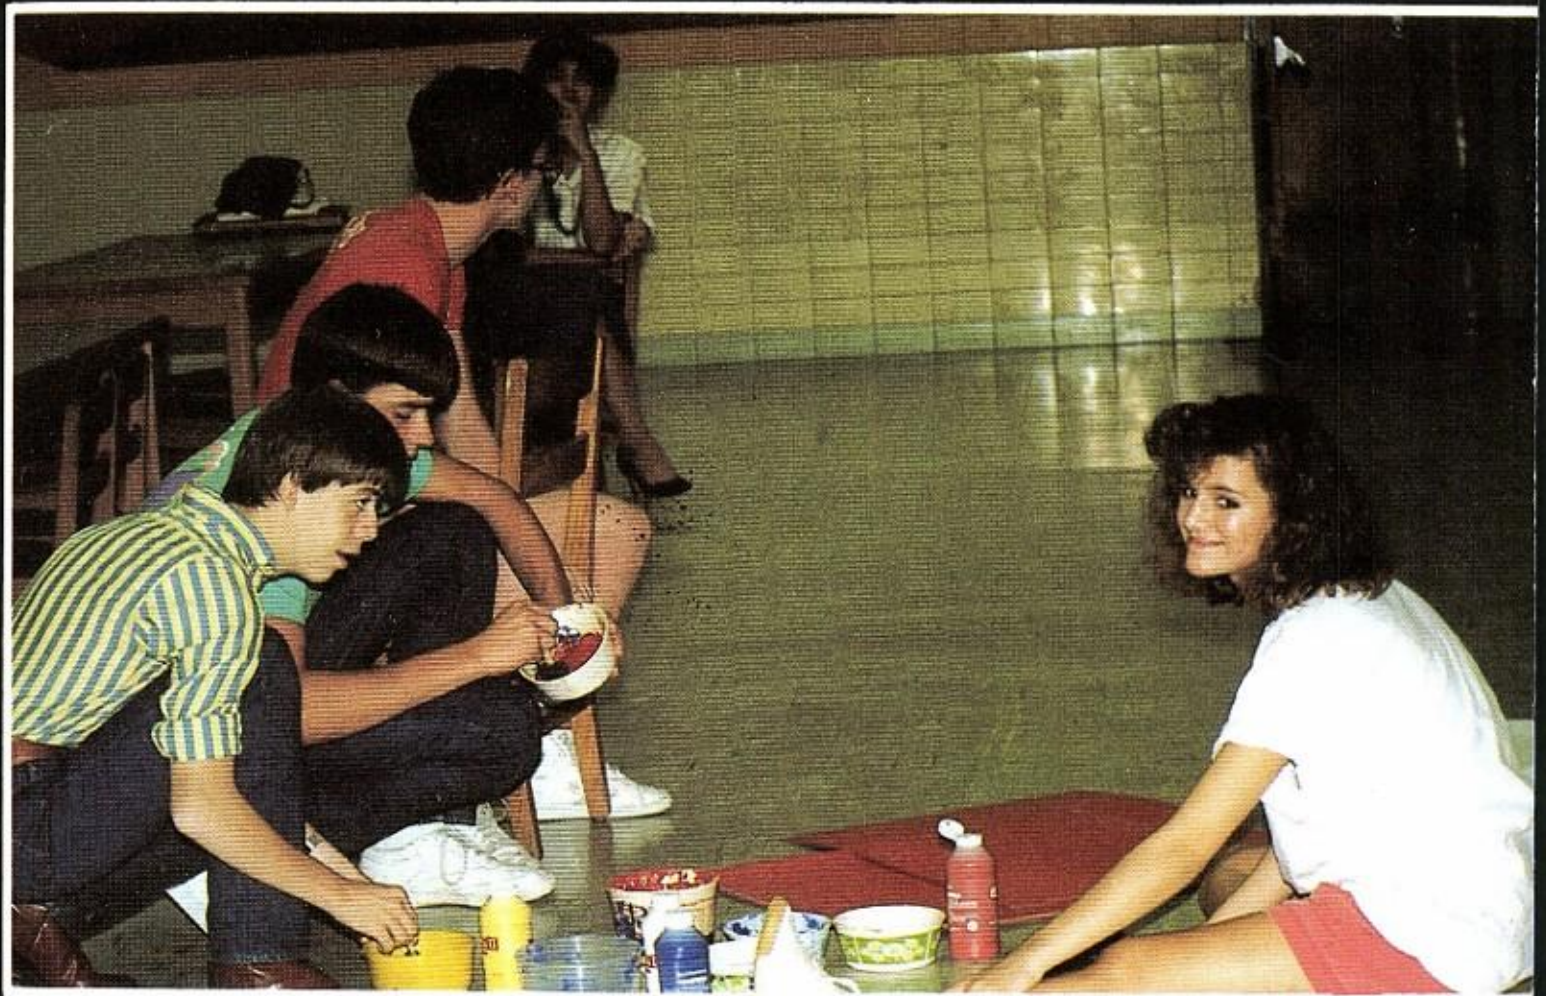

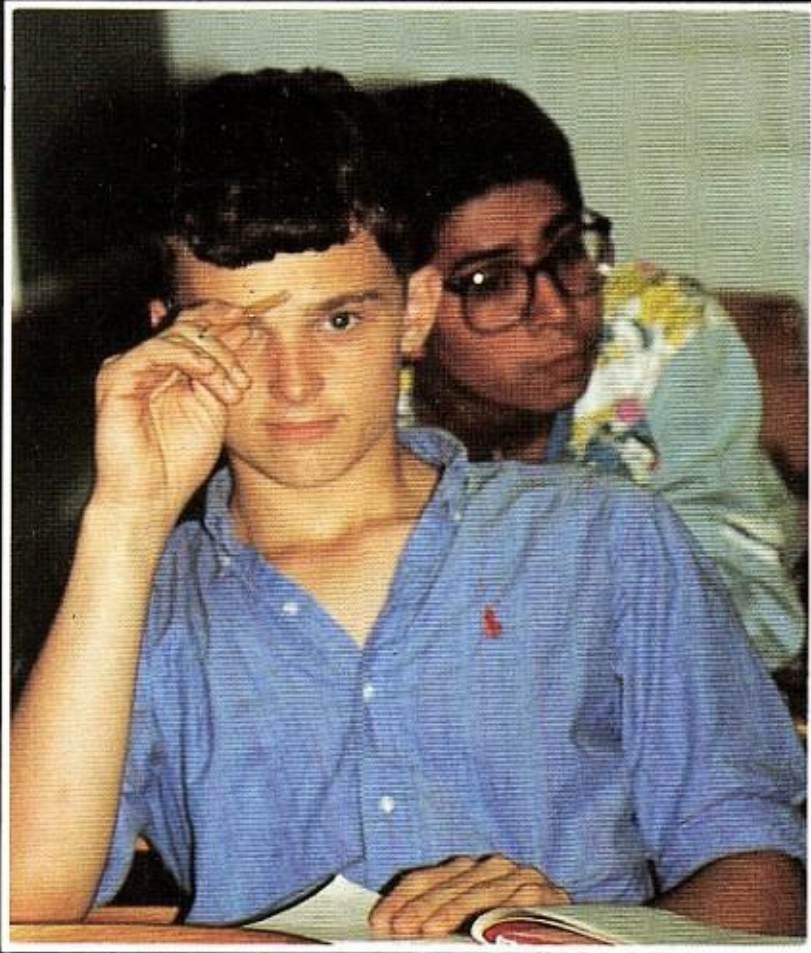

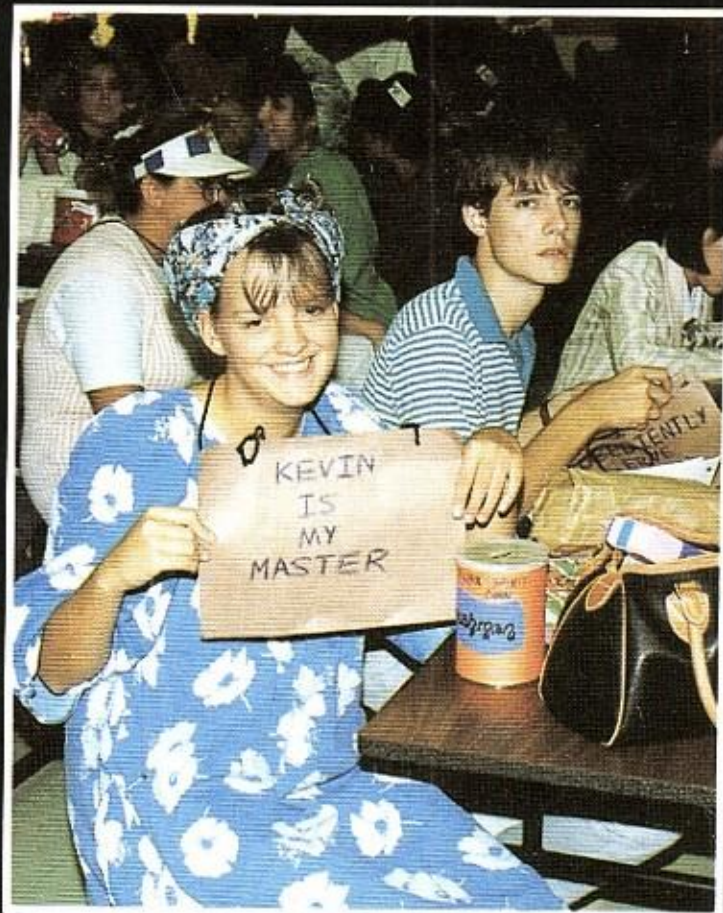

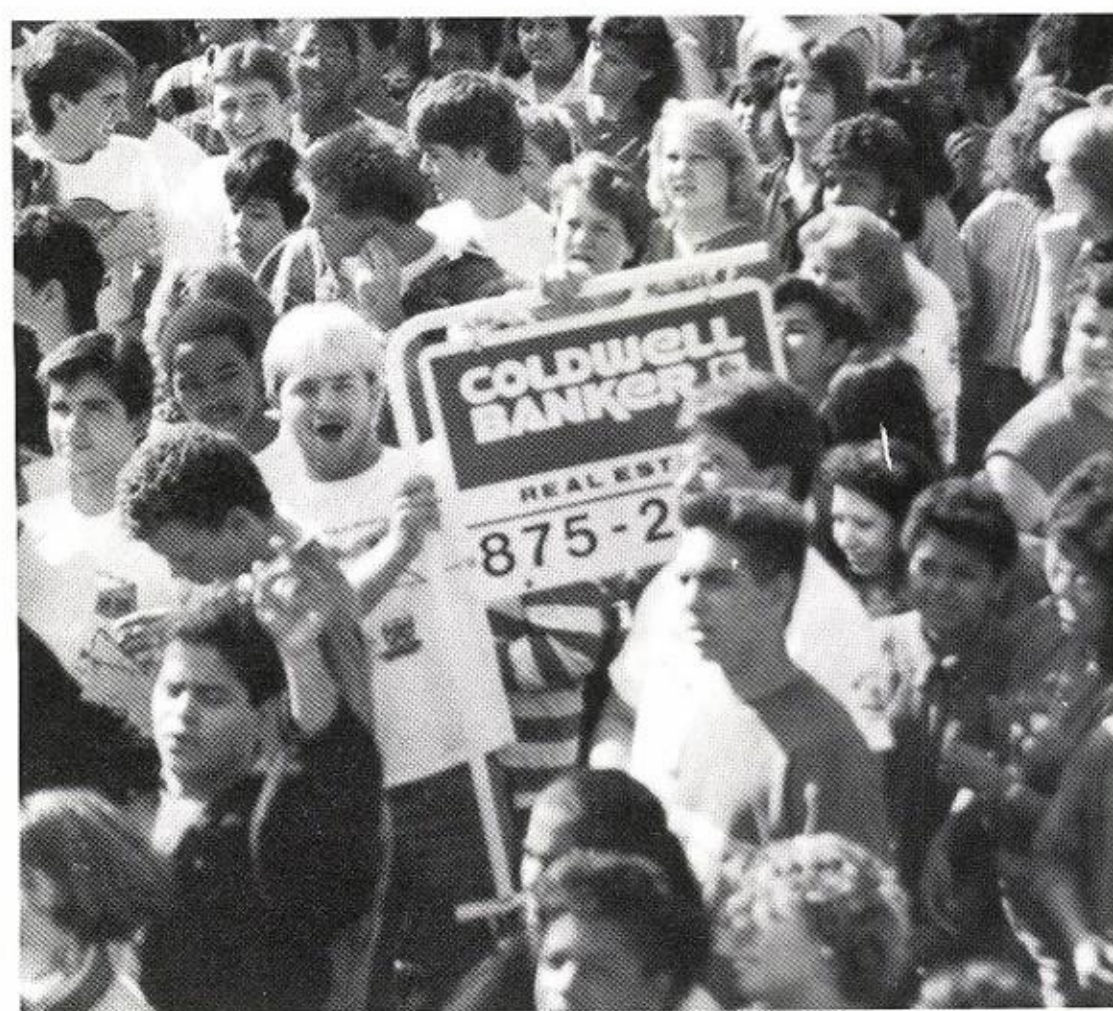

Student Life

Fans interacted when it came to upholding the traditional Waltrip spirit. Different shades of spirit were shown by the Cheerleaders, Band, Silks, and Rambling Roses. Ram fans also showed their support by wearing class T-shirts or the school colors, red and gray. They clapped, cheered, chanted, and danced in the aisles of the school auditorium and at Delmar Stadium!

Homecoming Pep Rally

Stephanie Stafford sure wishes she could fly.

Last effort was made to boost spirit as students participated in an outdoor pep rally that proved very successful.

Washington Crowned Queen

Tanya Washington escorted by Lorenzo Johnson.

Our 1987 Homecoming Court was made up of seven young ladies appearing in the latest fashions, expressing their individual character. The candidates had escorts to accompany them onto the field along with the 1986 Homecoming Queen, Kelly Drake. Seventy girls ran for this title and the student body elected seven finalists. With the help of the Student Council, the Roses, the Silks, and the Band, a beautiful ceremony was presented. With excitement and enthusiasm Tanuya Washington was announced Homecoming Queen for 1987. Tanuya was presented the crown and roses that are traditionally given to each new Homecoming Queen.

Different Shades of Spirit

Preparations for Homecoming began on Wednesday before the game. Each grade level chose themes and came to school dressed in outfits such as old men and old women, babies, athletes and famous people. Thursday after school the classes were able to hang the signs they had been painting since the beginning of school. Friday the entire school came dressed in red and grey to show their unity and school spirit.

The Senior ritual is performed and well done.

Students in the Spotlight

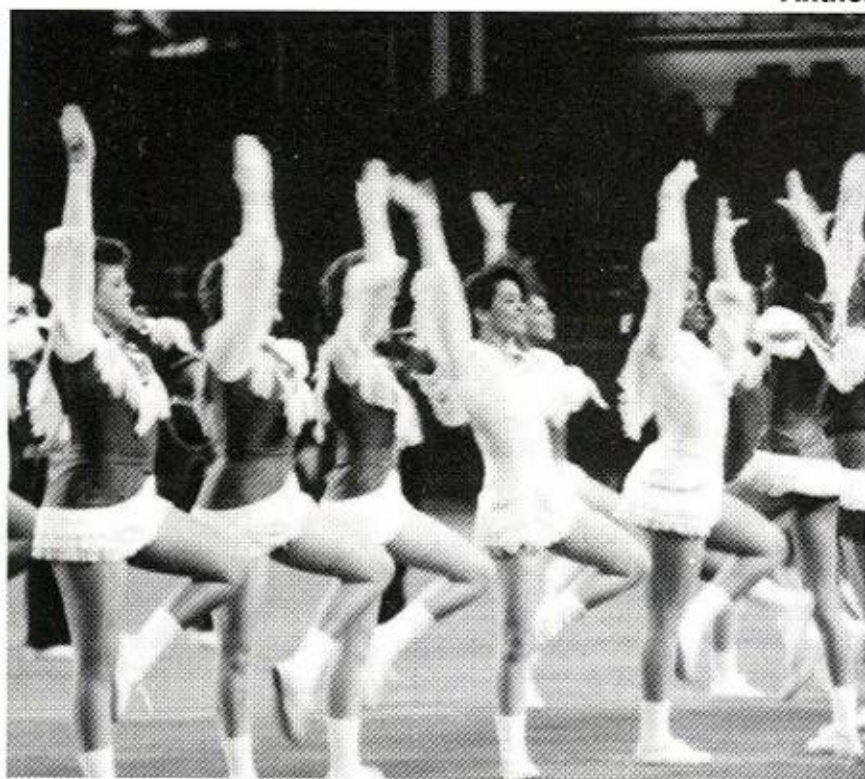

The Drama Department produces plays for the school and for the benefit of the community. The first semester, the advanced drama class practiced during and after school for the play *And Stuff . Addict* and *A Lie of the Mind* were open audition plays that were done during the year. *Addict* rehearsals were held after school. This play was done as a public service and performed for any church, organization, or school that requested. *A Lie of the Mind* also had after school rehearsals and was performed in the U.I.L. one act play competition. The drama students spend much time on props and rehearsals which is evident in their spectacular results.

Wayne Williams plays the trumpet.

Peggy Brown and Jennifer Rynell show their concern.

Oh, it will be alright!

The 1987 Rams became the first Waltrip football team to advance into the second round of the state playoffs. The Rams have been to the dome five years straight, and this year was no exception. Waltrip played the Sterling Raiders in the first round and carried off another win, 30-6. The second round pitted the Rams against the Spartans in a suspenseful game that was not determined until the last play.

Thanksgiving Day Parade

The Roses, The Waltrip Band, and The Silks attend the traditionally marched Thanksgiving Day Parade. They proudly represented our school as last years returning Honor Band. Once again they sacrificed their time and effort.

Honor Roll Students Rewarded

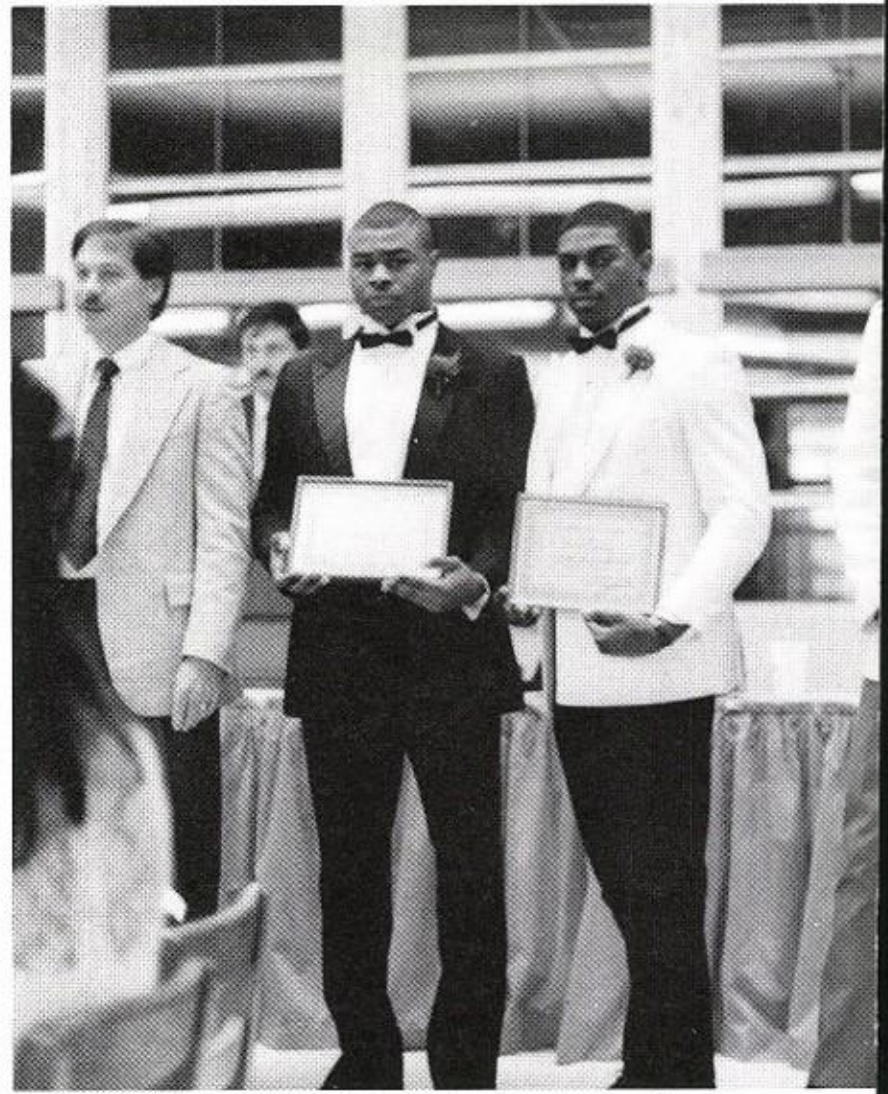

Every six weeks the Honor Society organizes a cinnamon roll breakfast for students who have all A's or A's with no more than two B's. The breakfasts were held in the cafeteria before school and also during homeroom period. This encourages students to do their very best and rewards those who make good grades.

Football Banquet

Leric and Darius are proud as they hold their trophy for most valuable player.

On December 9, Waltrip's football banquet was held to honor the football team. The Waltrip Jazz Band provided entertainment at the beginning of the ceremony. The football players, the cheerleaders and The Roses's officers attended. Mr. James Bowie, President of the Waltrip Booster Club, presided over the festivities. The football coaches, the cheerleading sponsor, Ms. Andrews, and The Roses sponsor, Mrs. McCall, spoke a little about what went on this season. The coach from the University of Houston, Jack Pardee, gave an inspiring talk. Praise and congratulations were given to end an enjoyable evening.

Volleyball Players Celebrate at Banquet

Each girl receives a certificate and applause for her hard work.

Of course they are paying attention.

Come on Cindy, that's not my boyfriend.

An Athletic Honor Roll was added to the awards at the Volleyball Banquet this year. It honors those athletes who maintained a grade average of A's and no more than two B's. Karen Justice, Suzi Sheaffer, Tonuya Washington, Stacy Willis, Courtney York and Felicia York received this award. Most Spirited and Most Valuable Players Awards were also given for all three teams.

Felicia, he's not that cute.

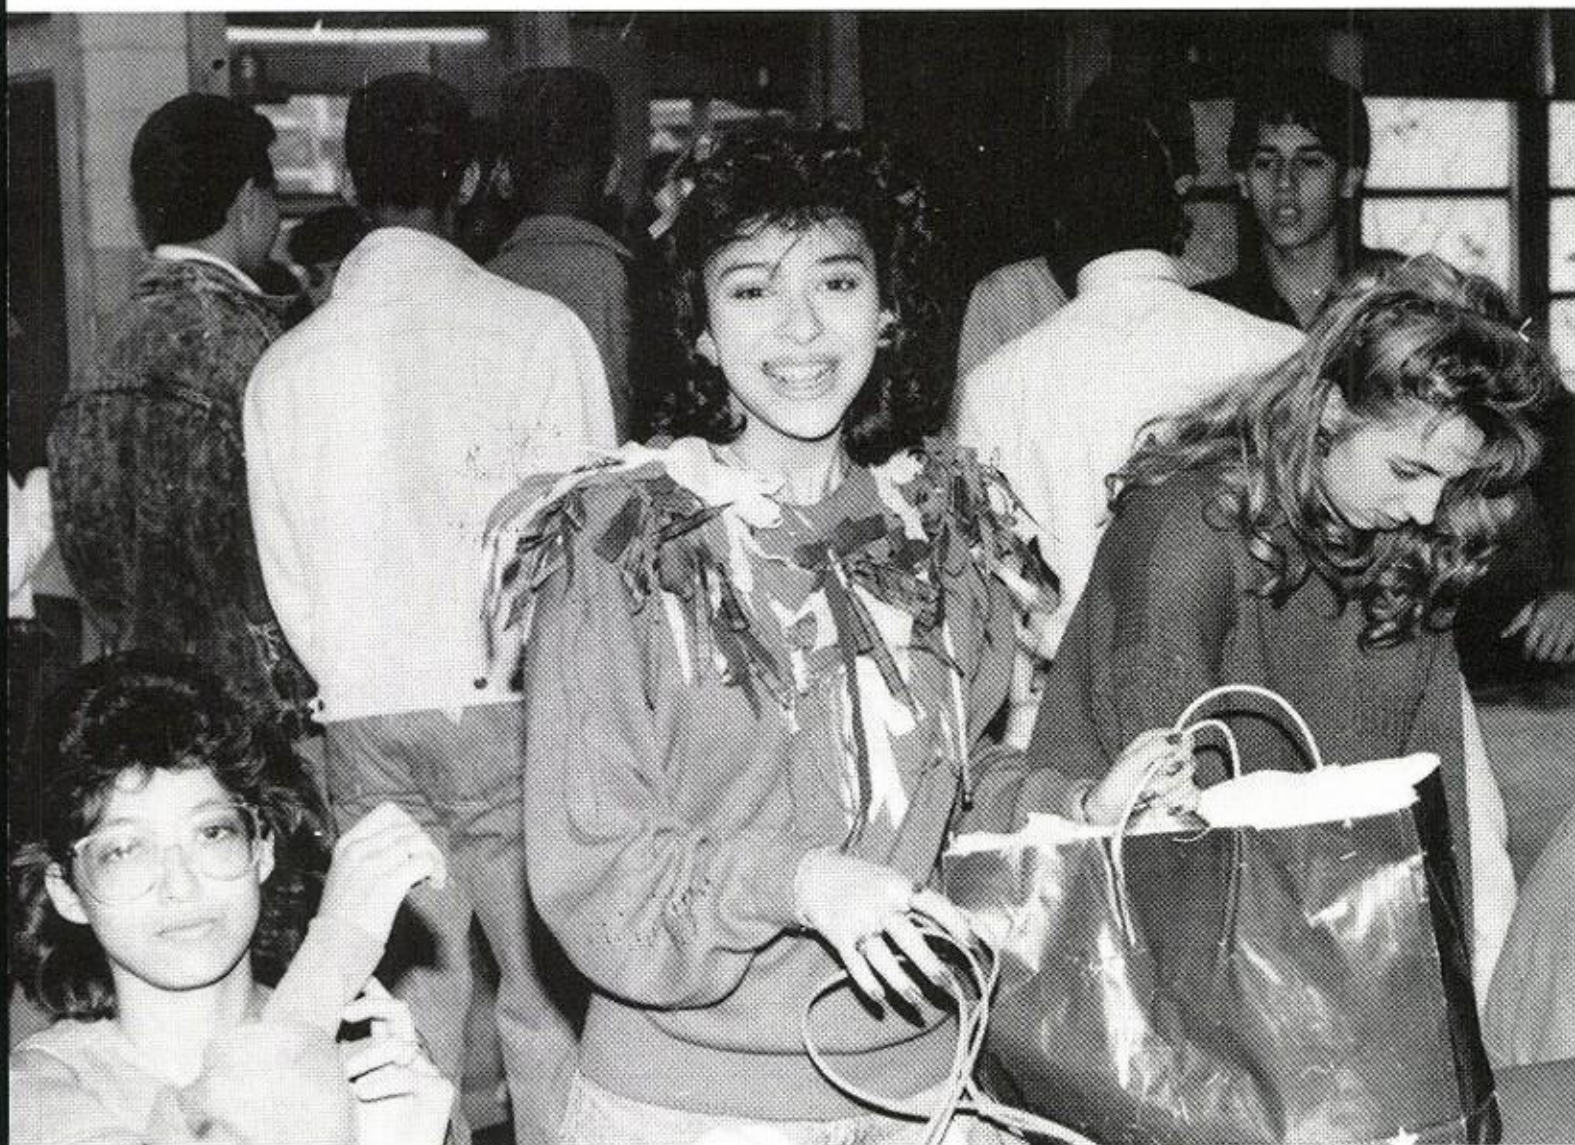

The coaches are all smiles over a successful season.

Christmas Spirit In The Air

The Christmas spirit started about a month before school was let out as various organizations collected food and gifts for needy families. The Student Council played its part as the members sponsored a Christmas tree and decorated it. The Choir and The Band also performed a beautiful musical for the student body. The Friday, before Christmas holidays started, was topped off by "Santa Grams" sponsored by the Senior Class.

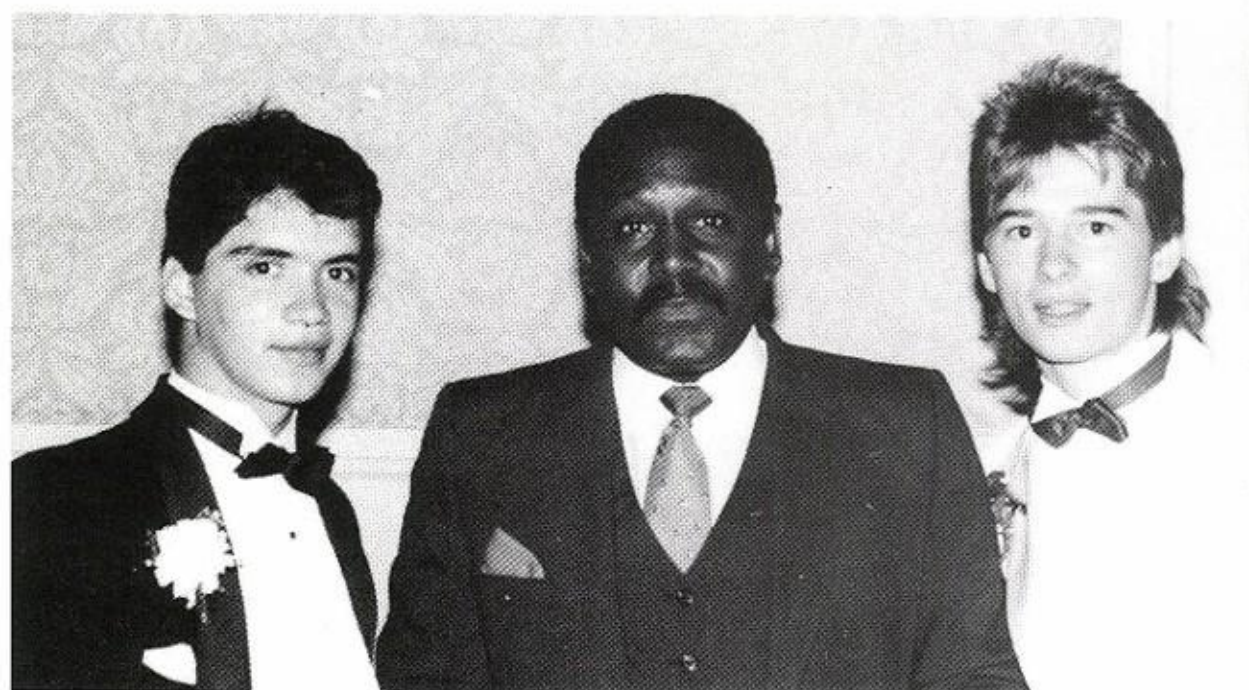

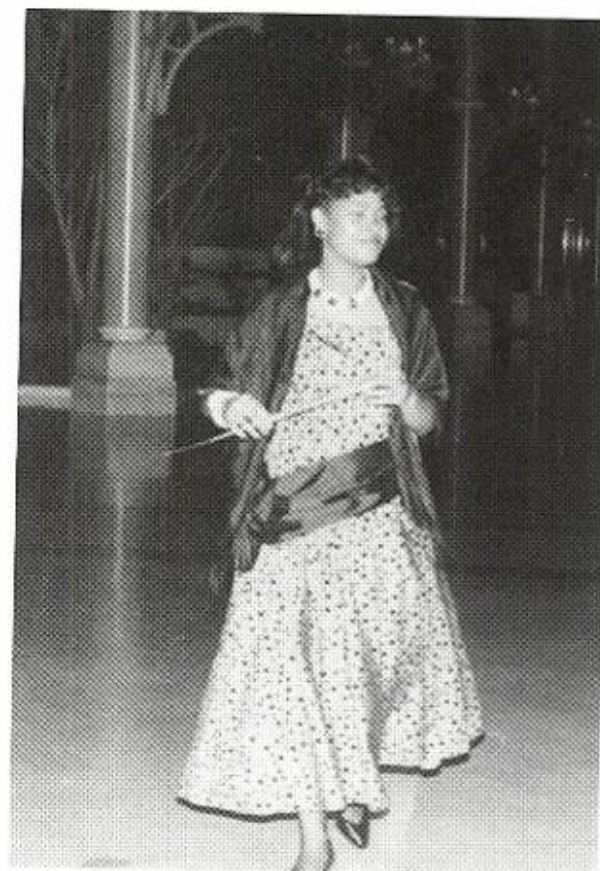

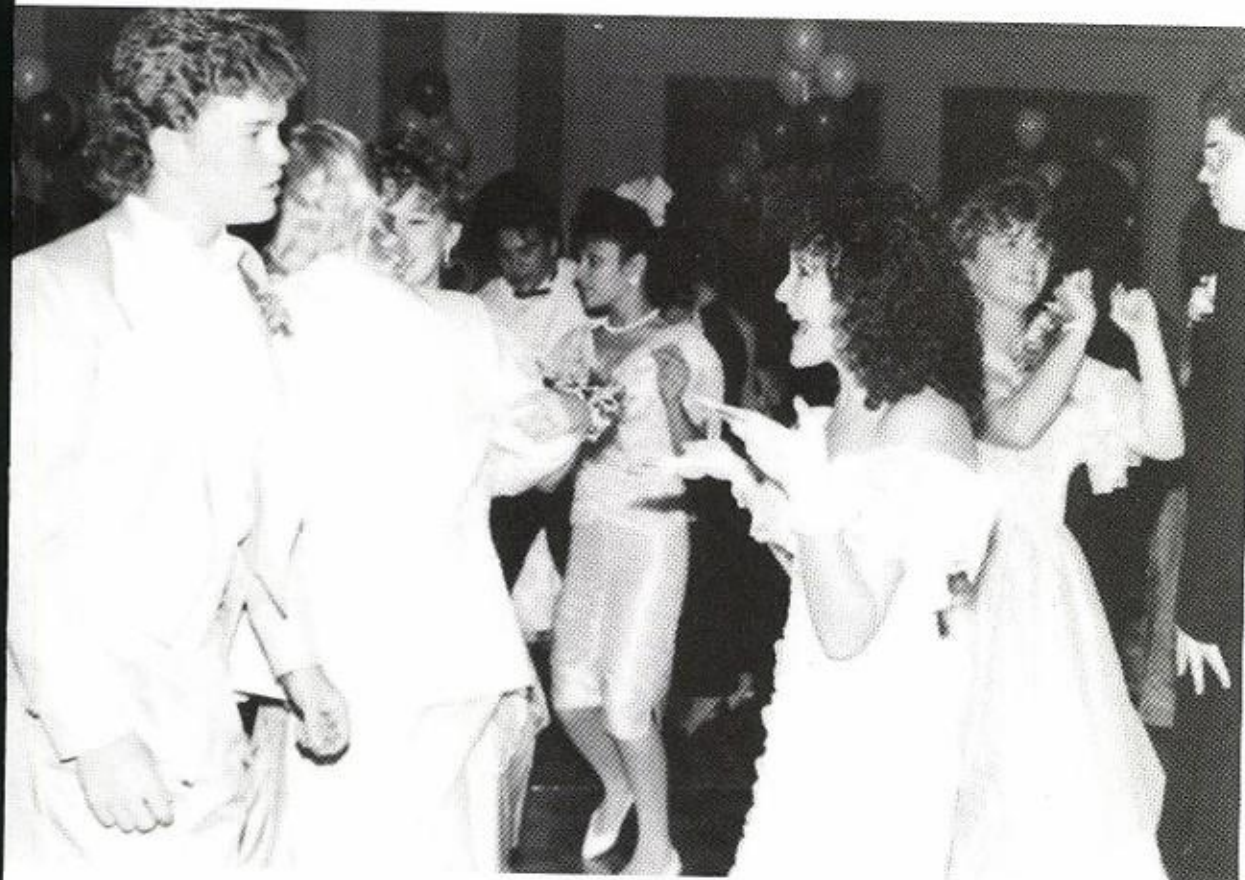

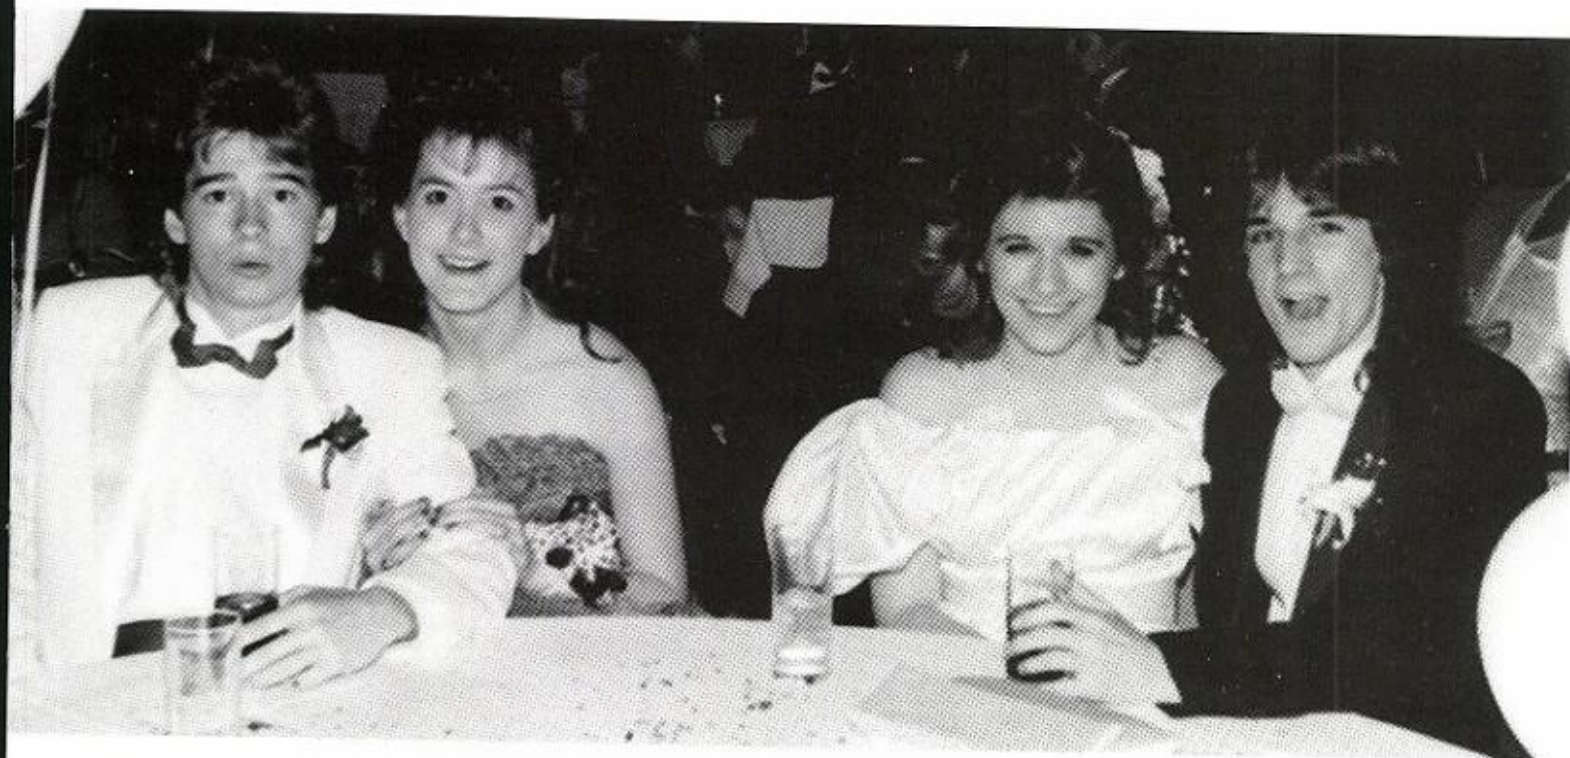

Rambling Roses' Celestial Ball

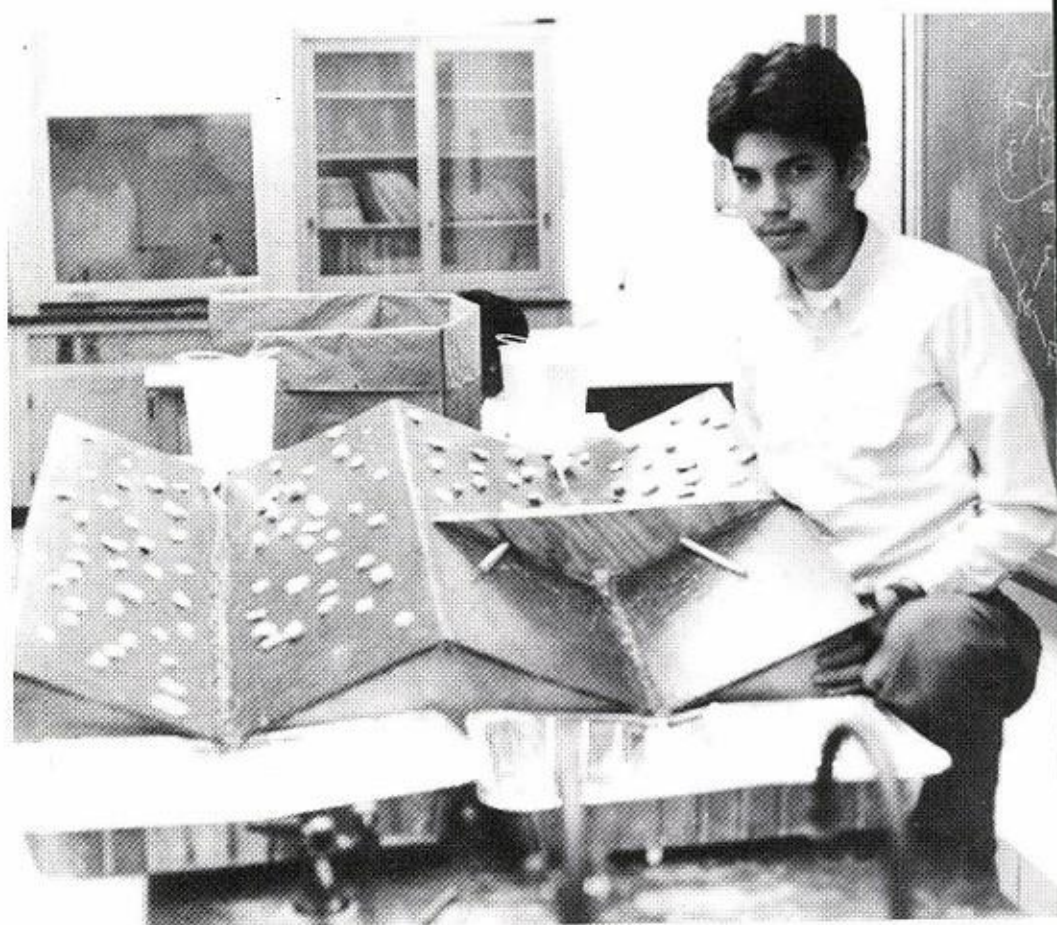

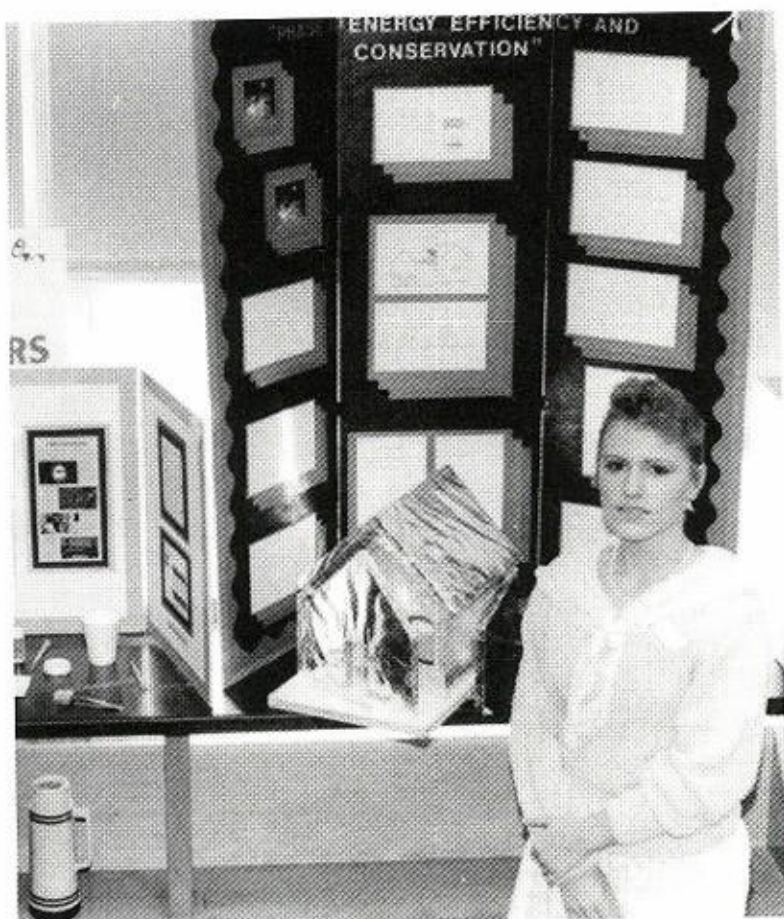

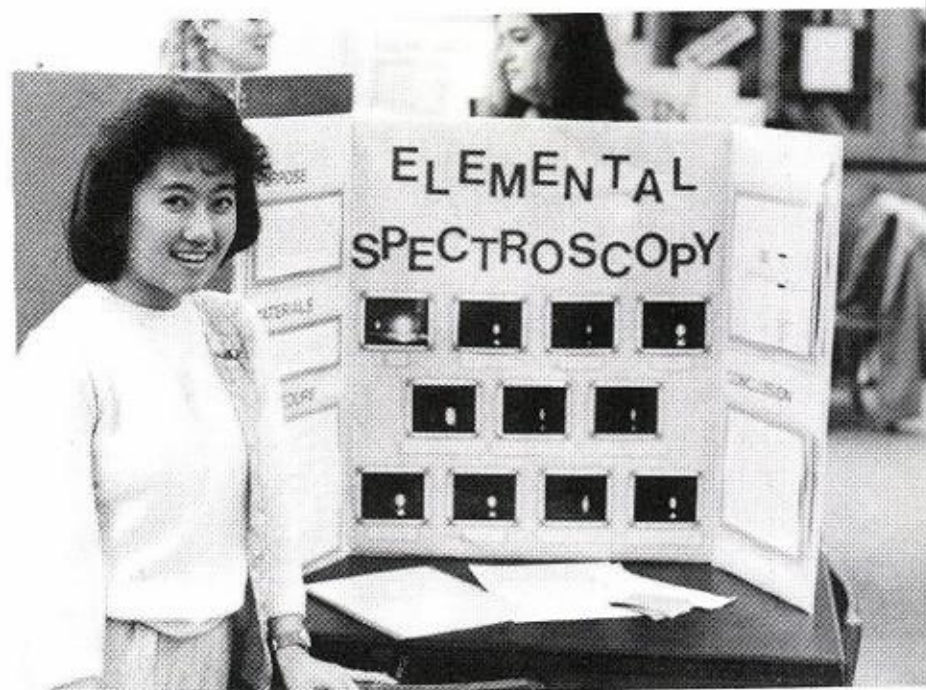

Friday, January 29, The Roses held their Celestial Ball. It was at the Wyndum Hotel, and it lasted from 8 o'clock p.m. until 1 o'clock a.m. There was a D.J., pictures were taken, and there were plenty of hors'd'oeu'vres set out. The girls worked hard throughout the year in order to raise money for this special event. The Roses' escorts also attended. Some of the girls reported that it was one of the best dances ever.

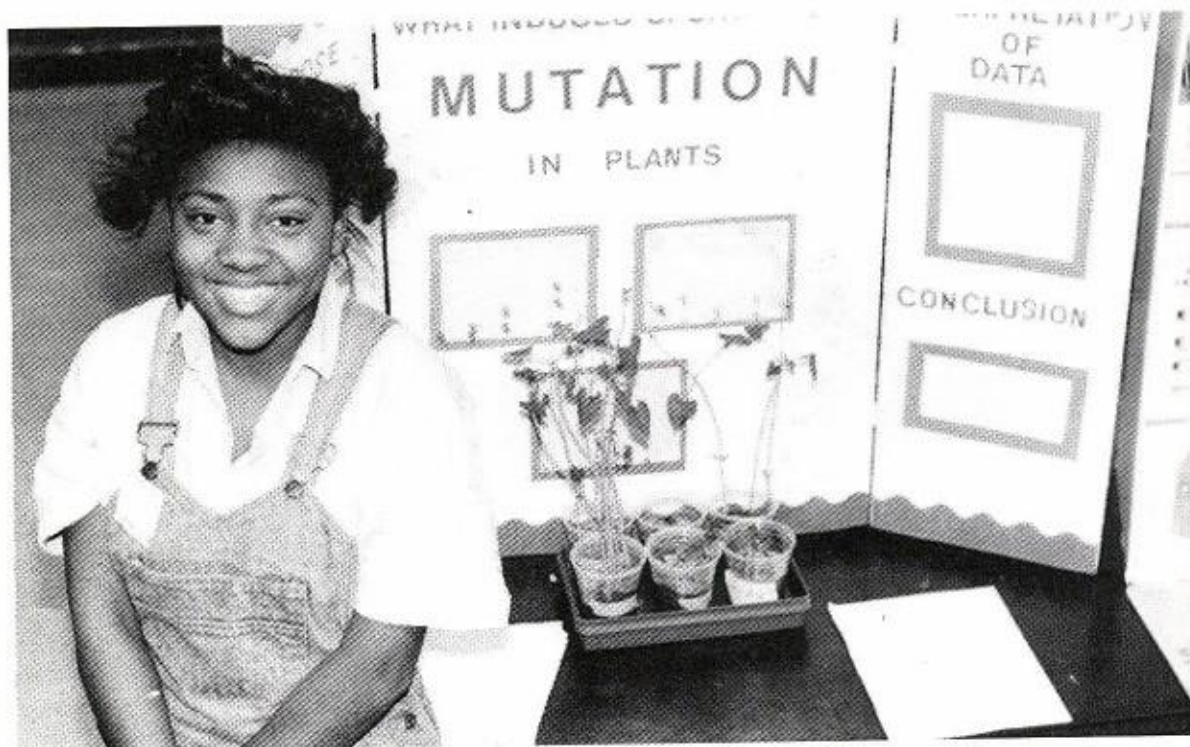

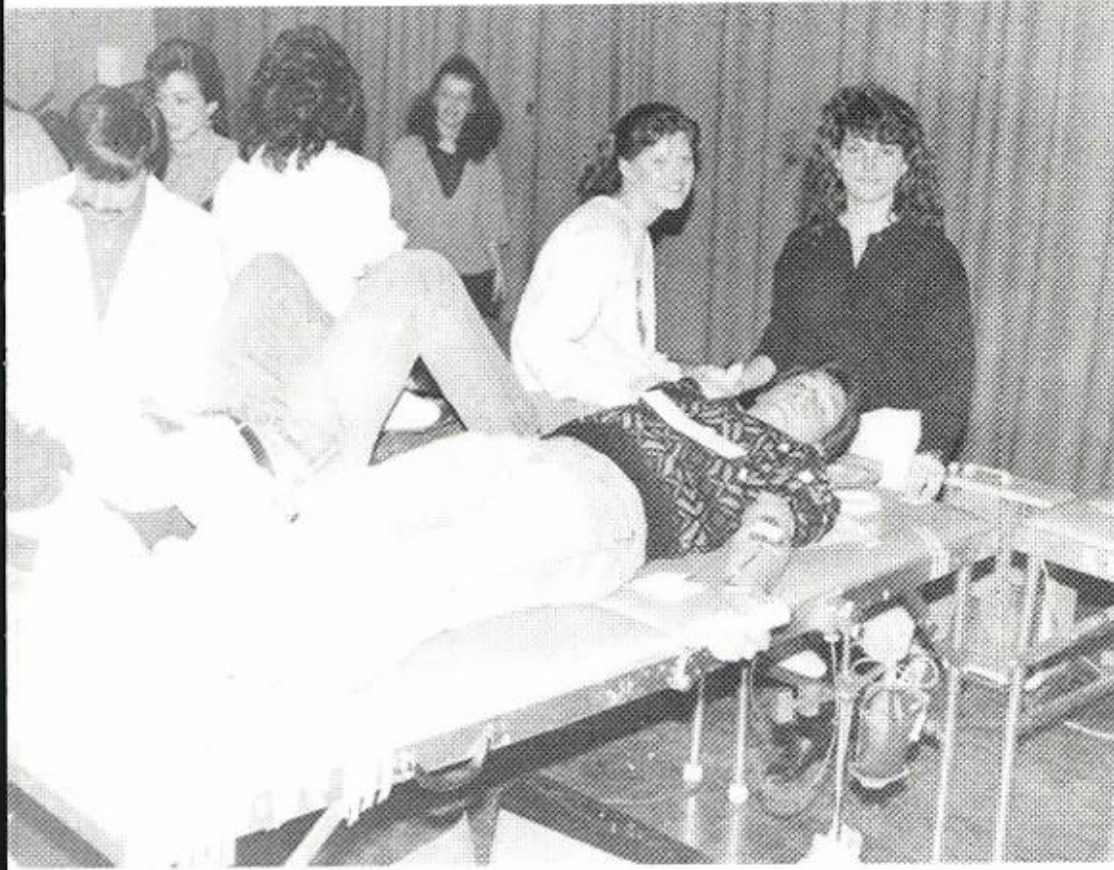

Science Fair

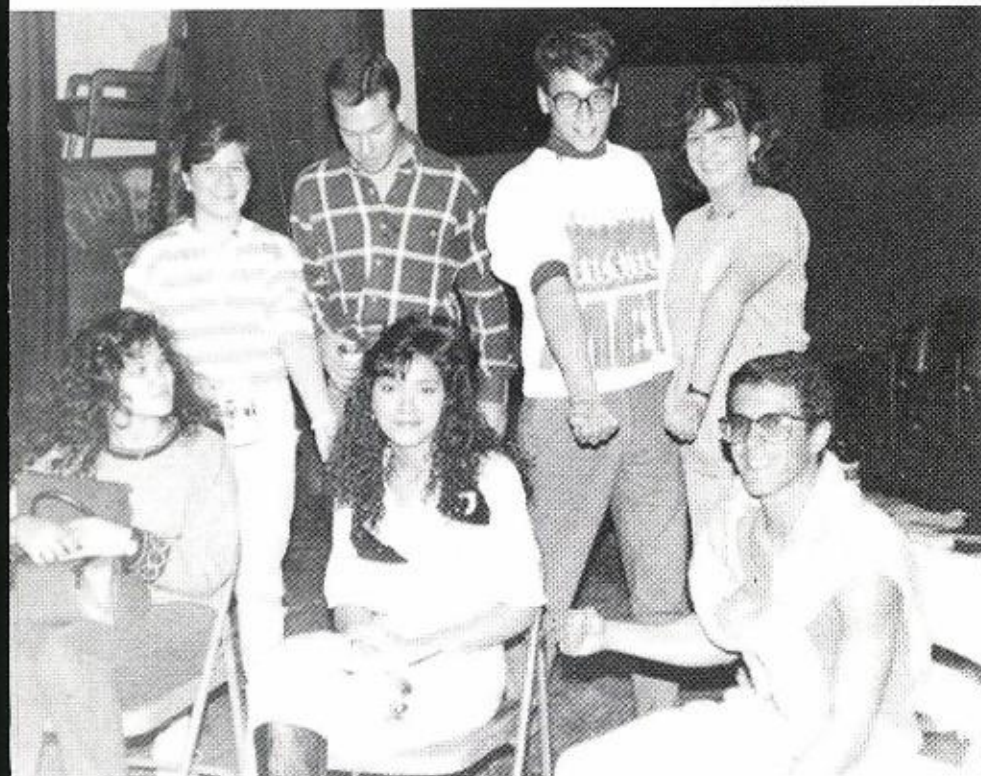

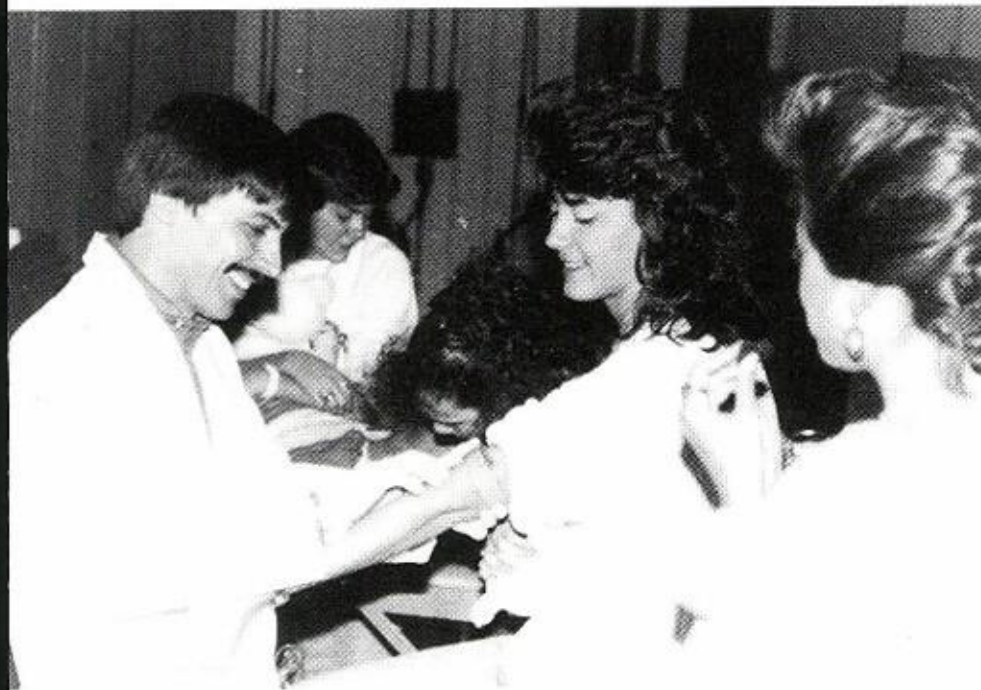

The Science Fair was held on Friday, February 12. There were two divisions consisting of Ninth Grade and Senior Divisions. Categories were Physical Science, Behavioral Sciences, Biochemistry, Botany, Environmental Science, Chemistry, and Physics. Projects were judged by people from the area.

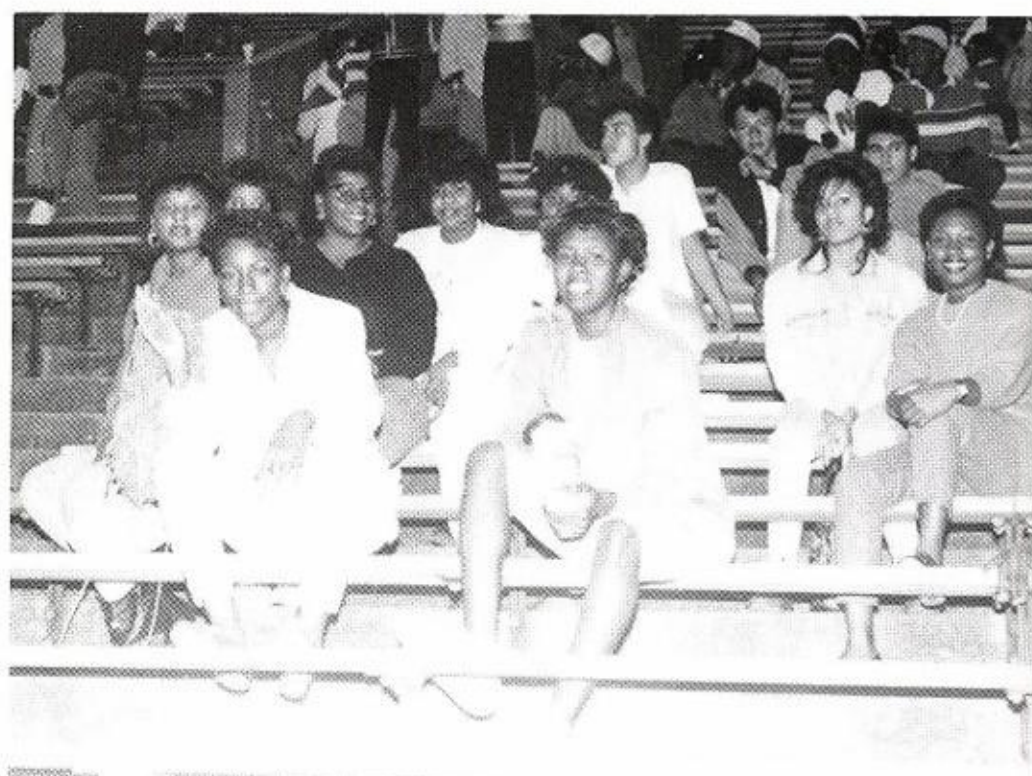

Blood Drive

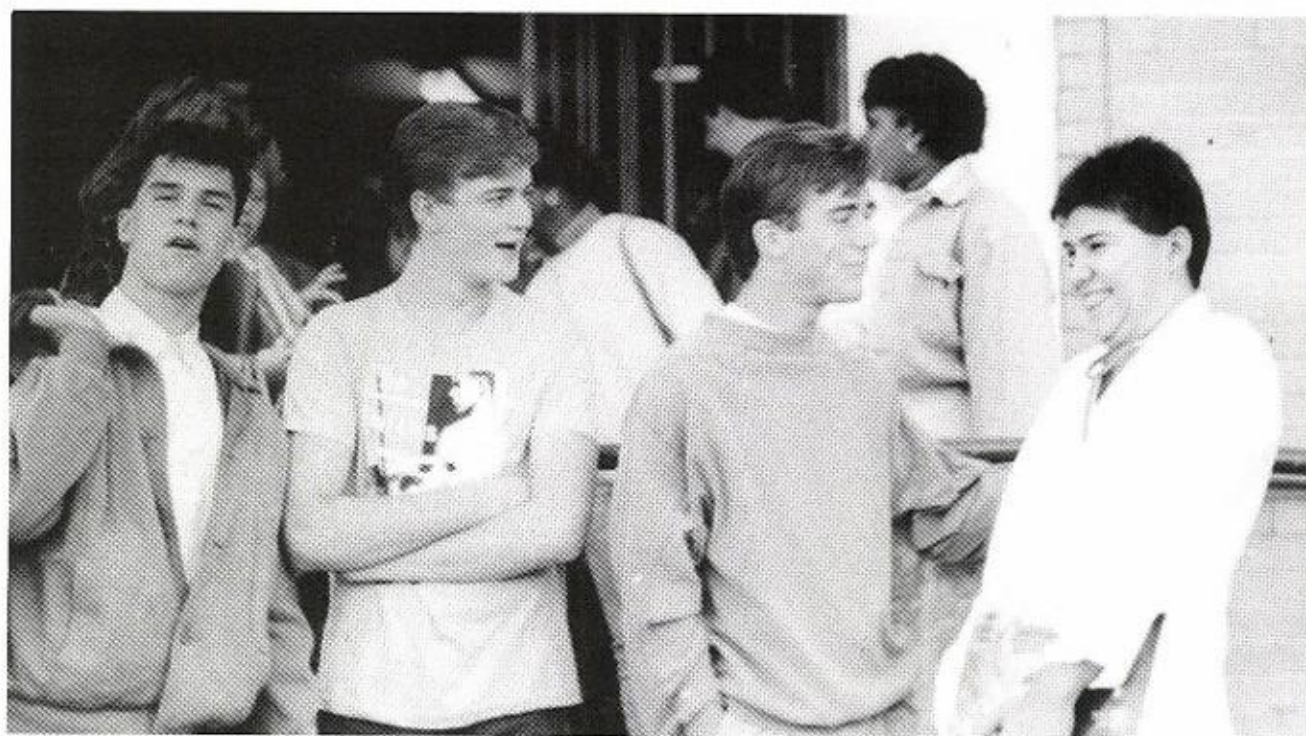

On Friday, February 5, the Student Council helped organize the Blood Drive. The Blood Center came and accepted donors who were eighteen years or older or at least seventeen with a permission slip. Complimentary snacks were given to the seventy donors who participated. The participants also gained the benefit of getting blood in the future if needed.

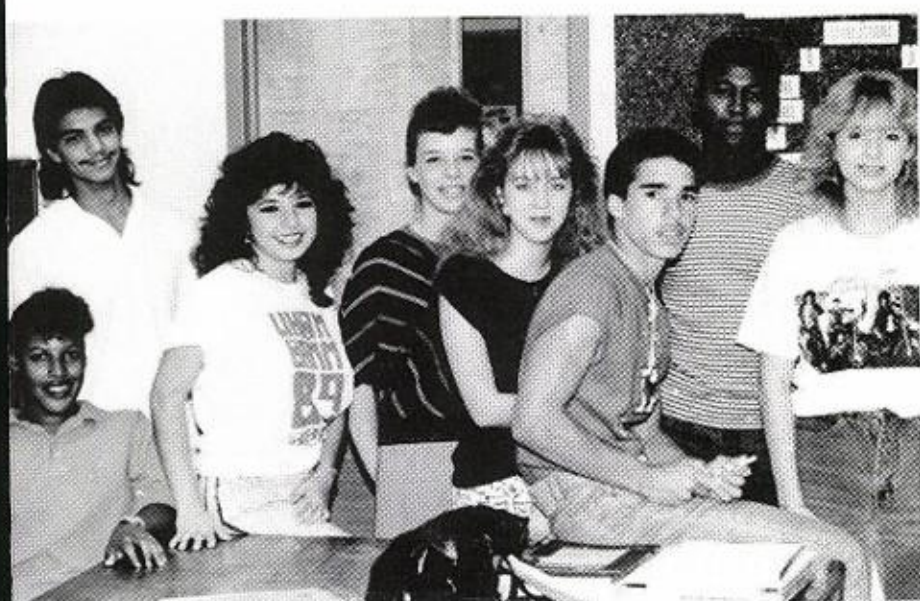

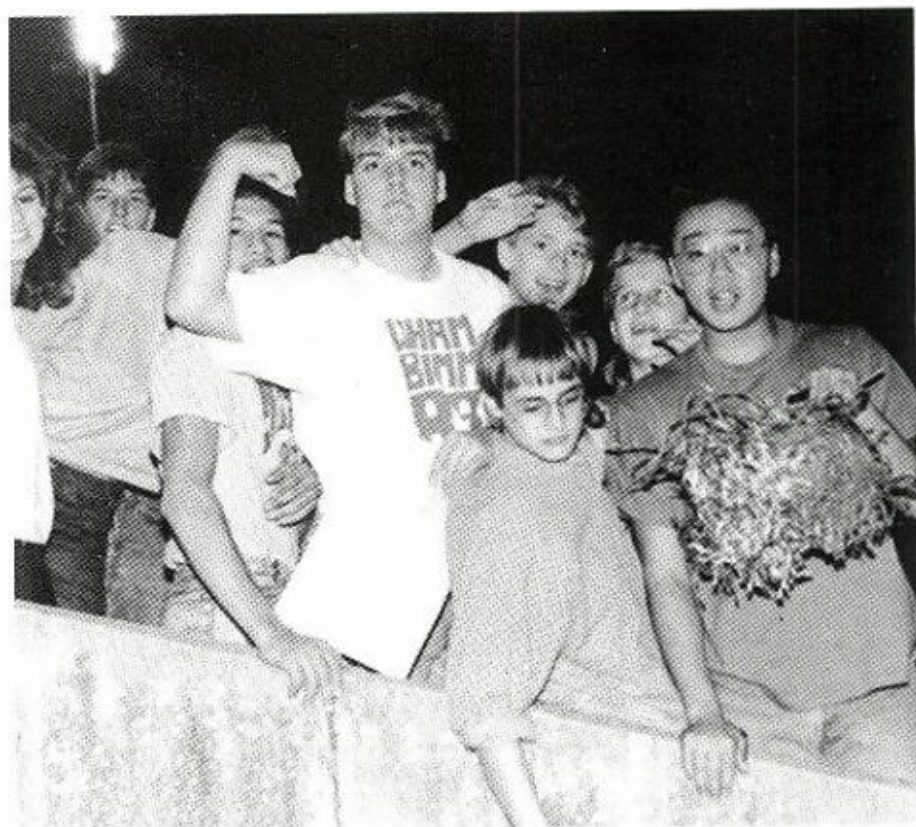

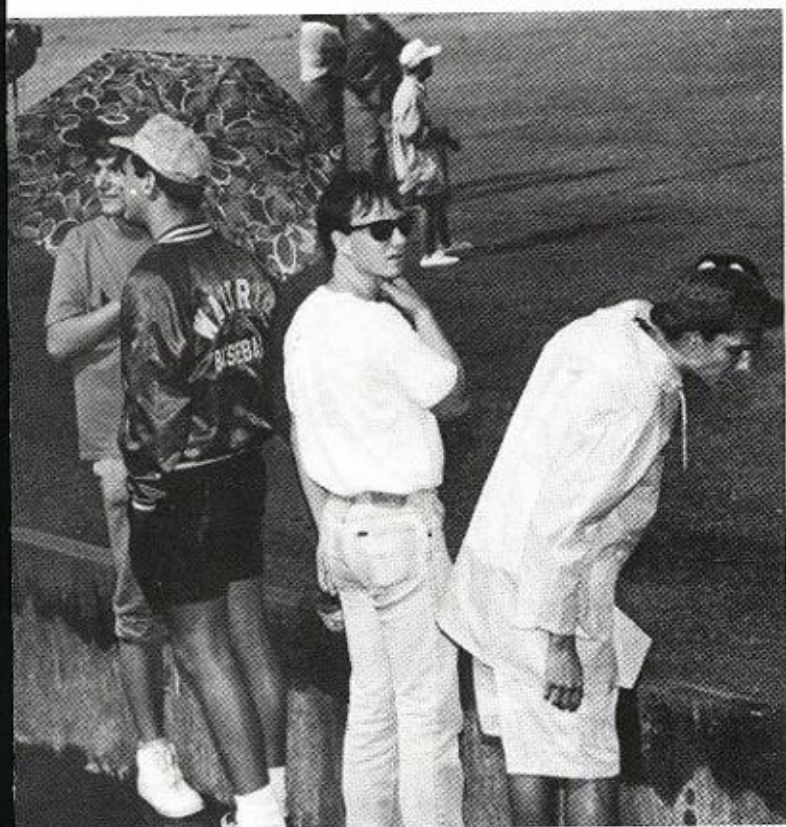

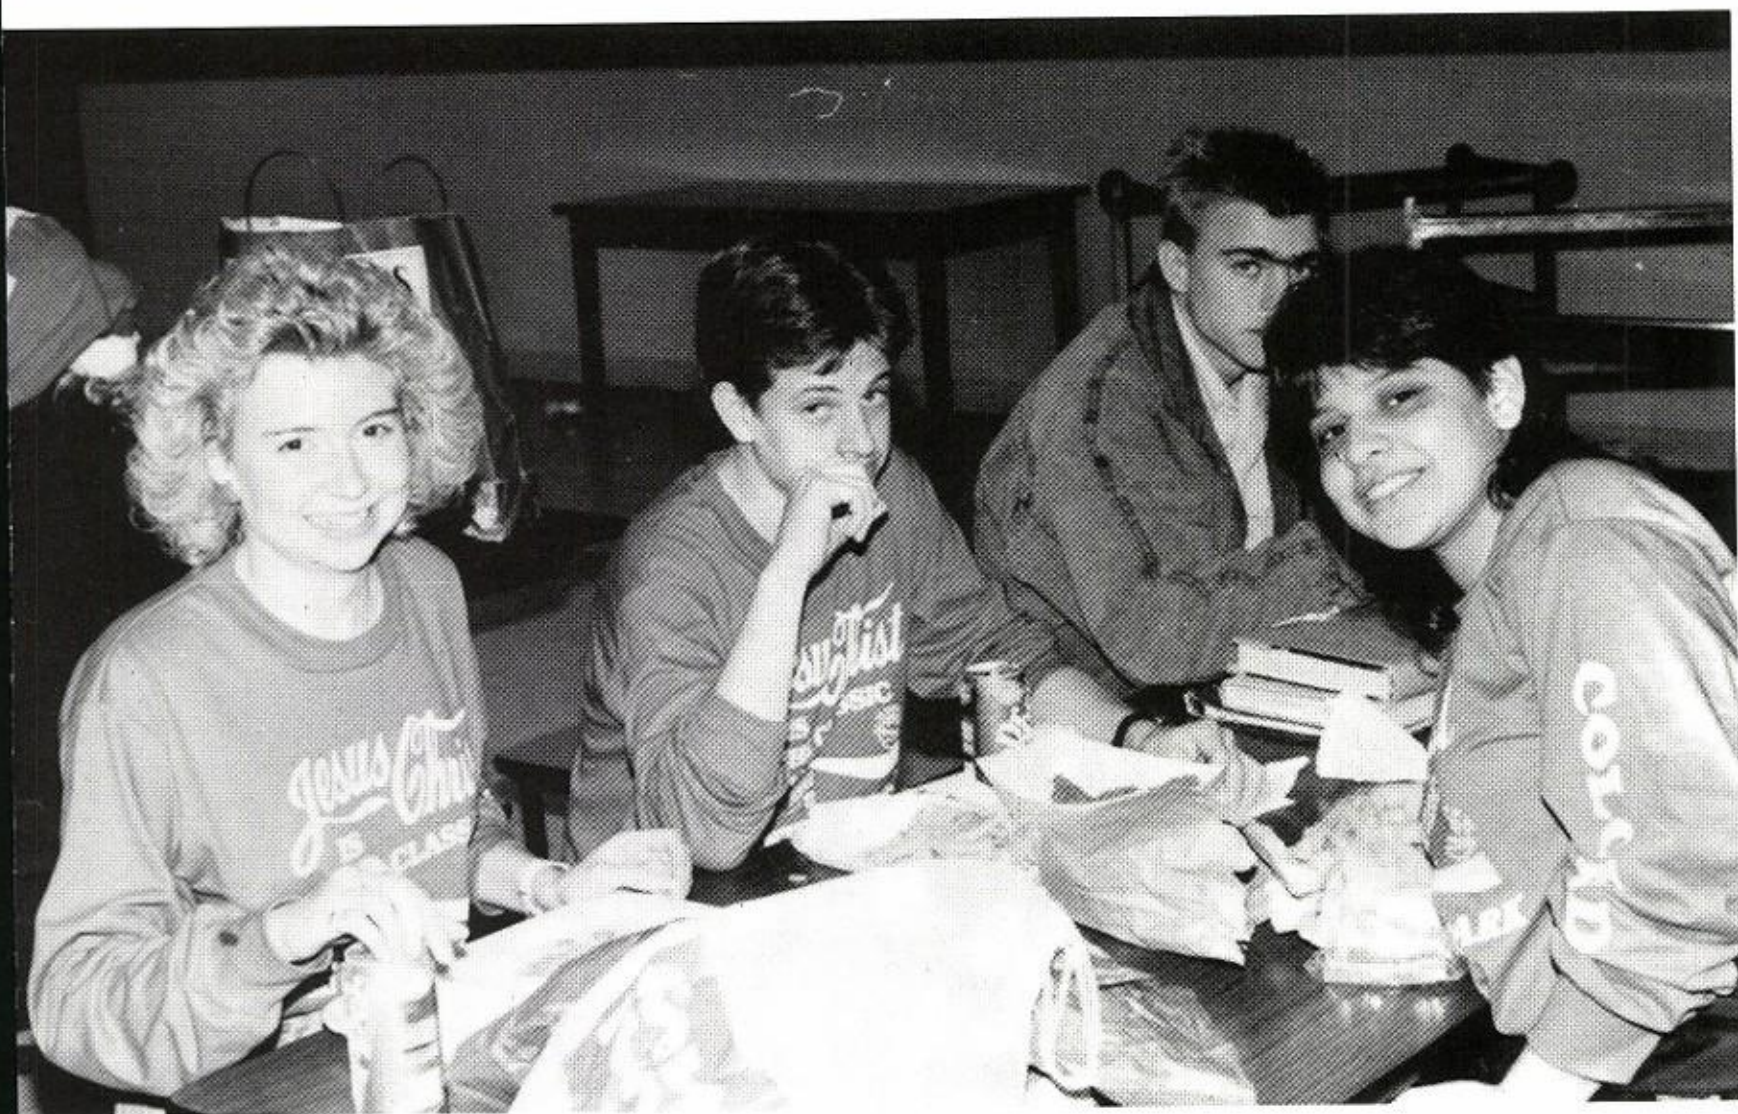

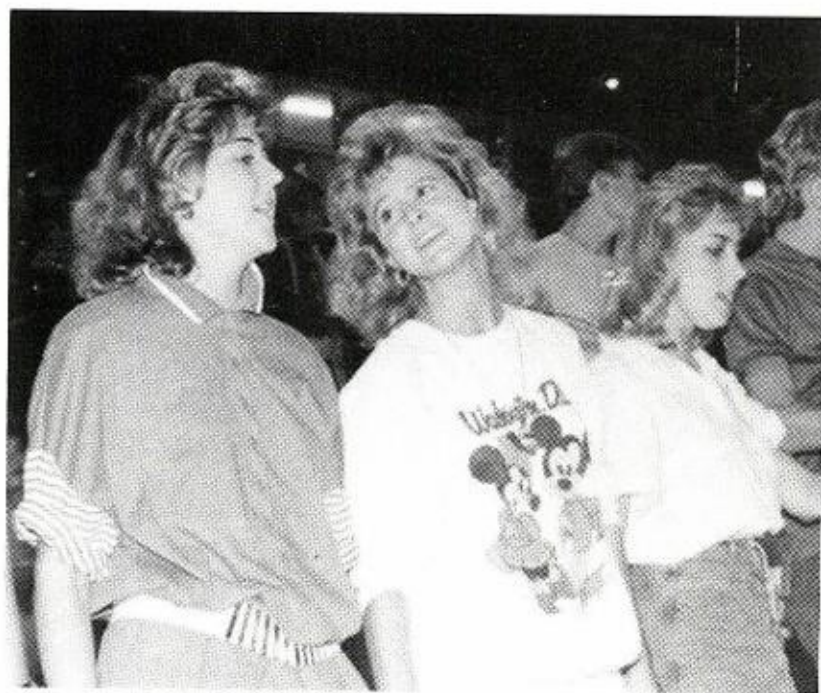

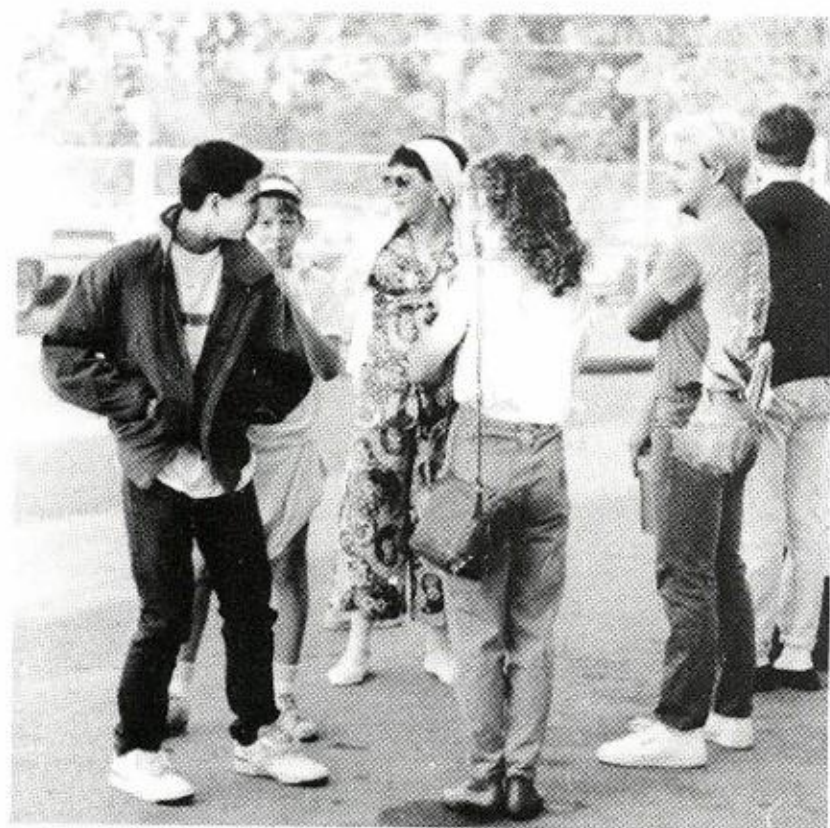

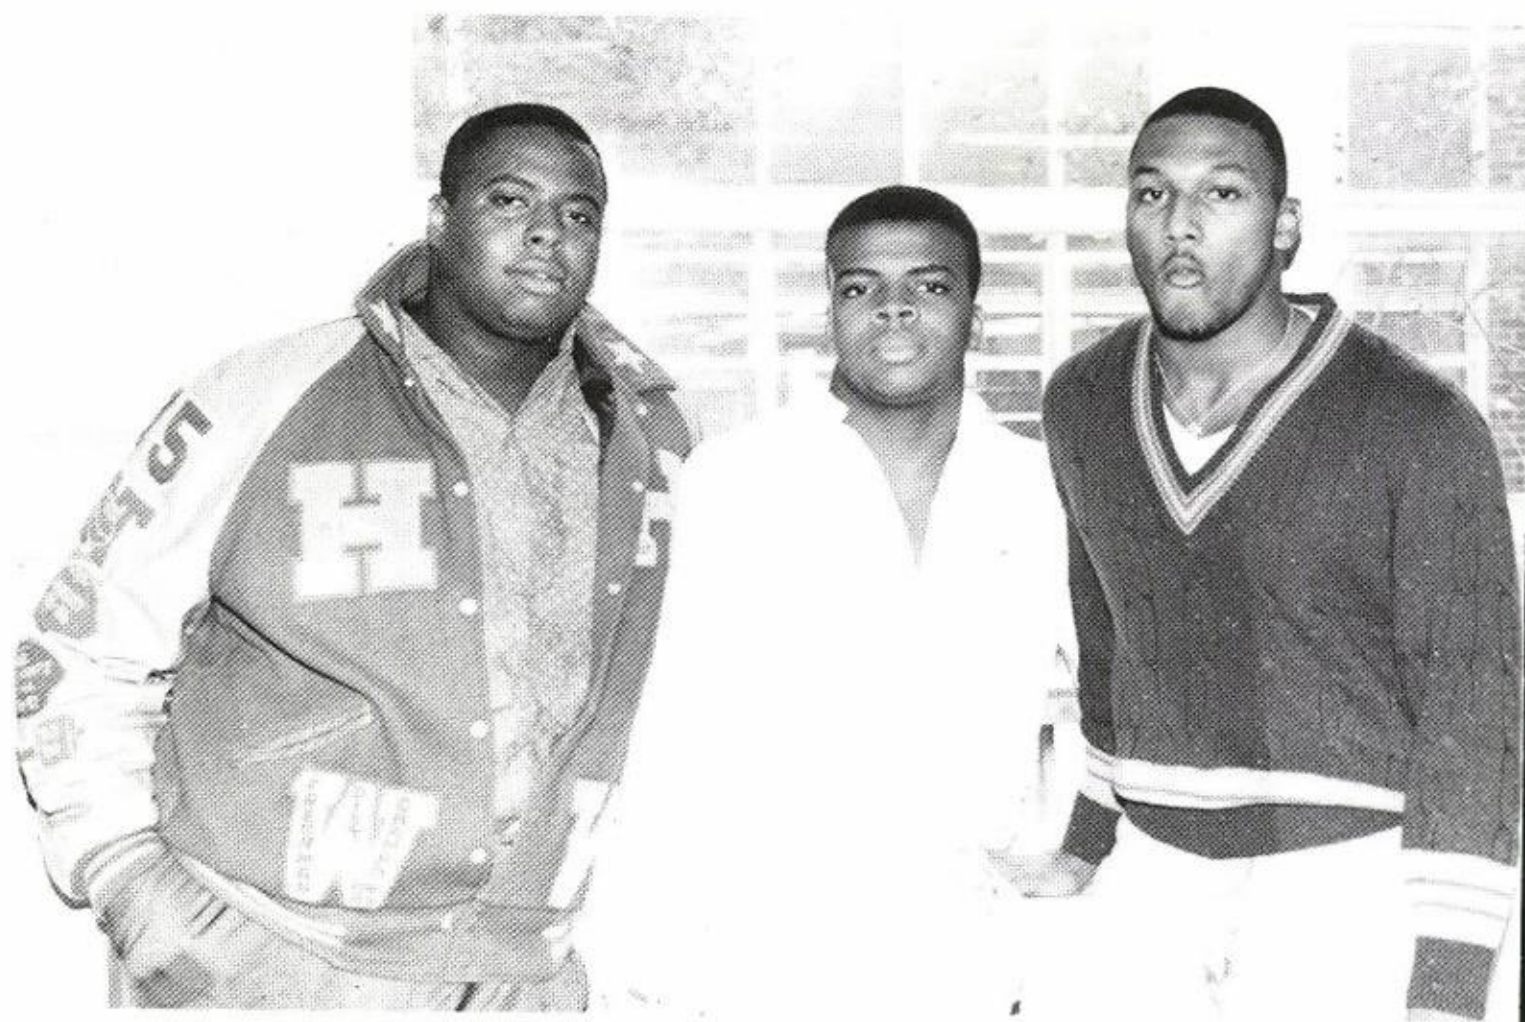

Shades of Memory

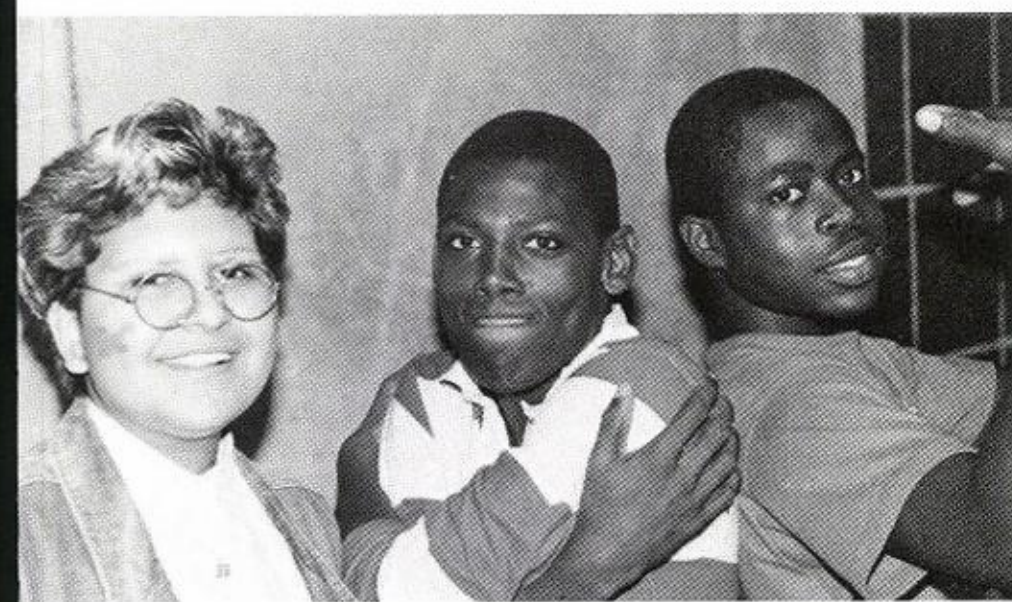

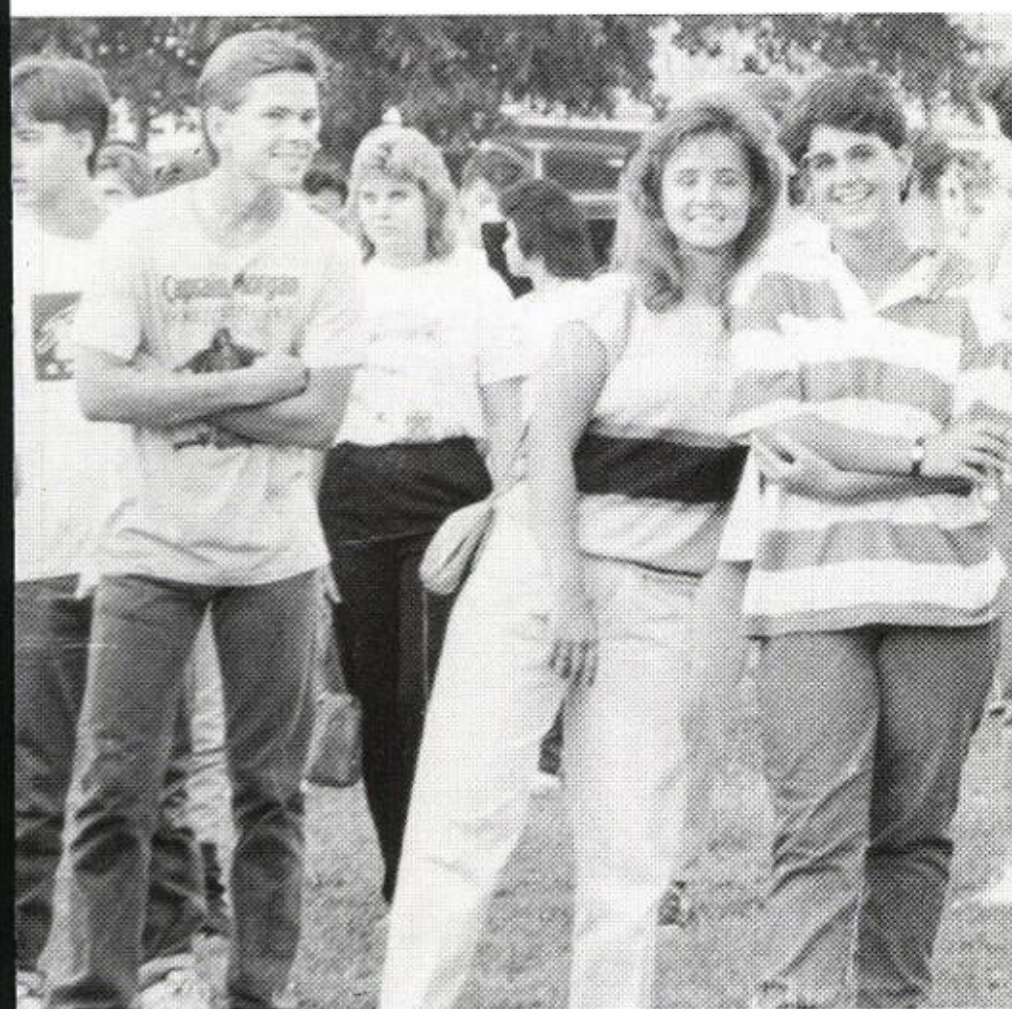

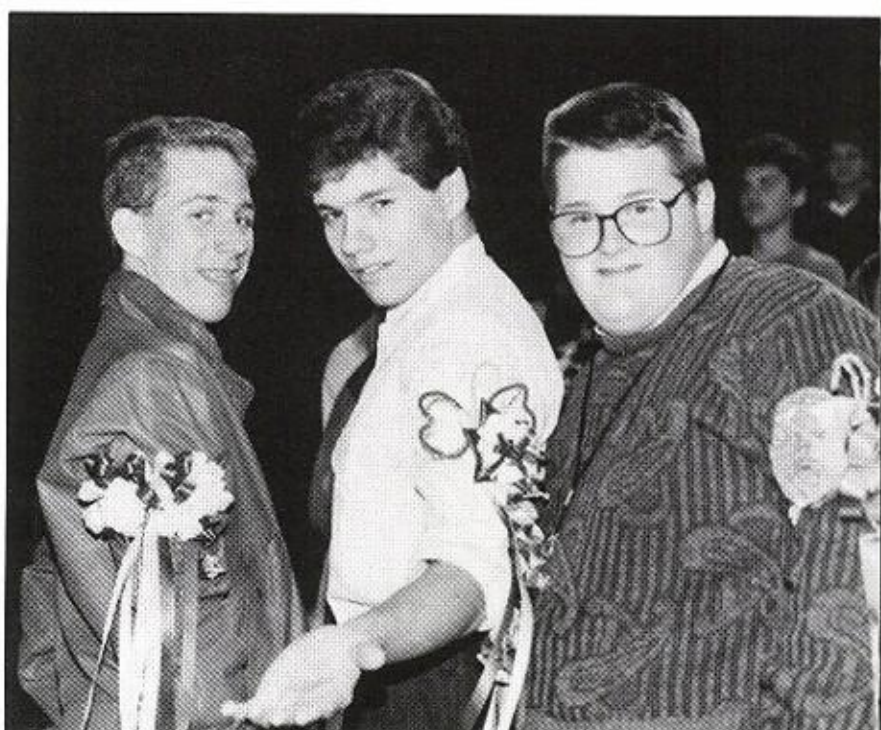

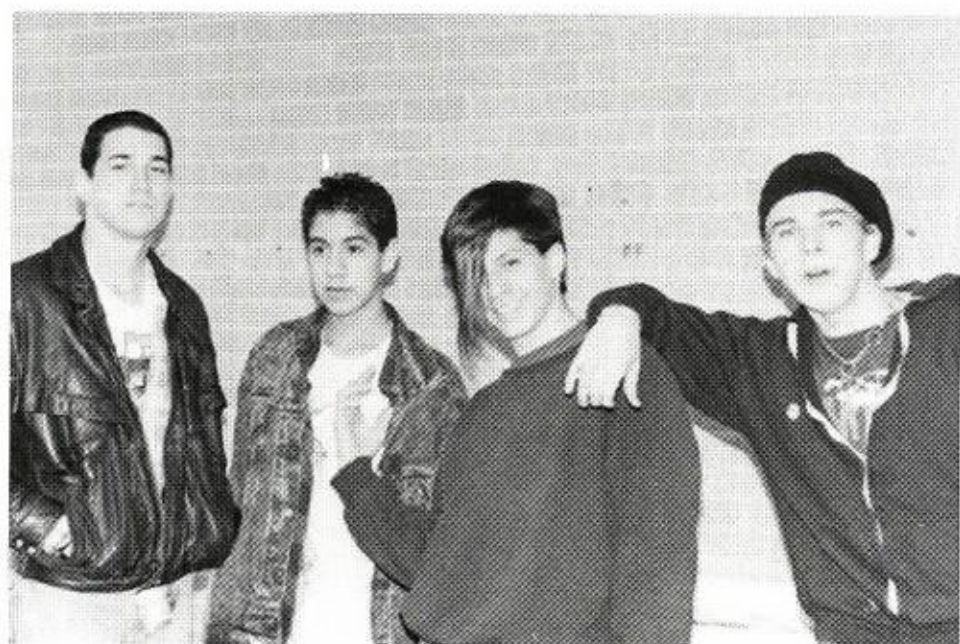

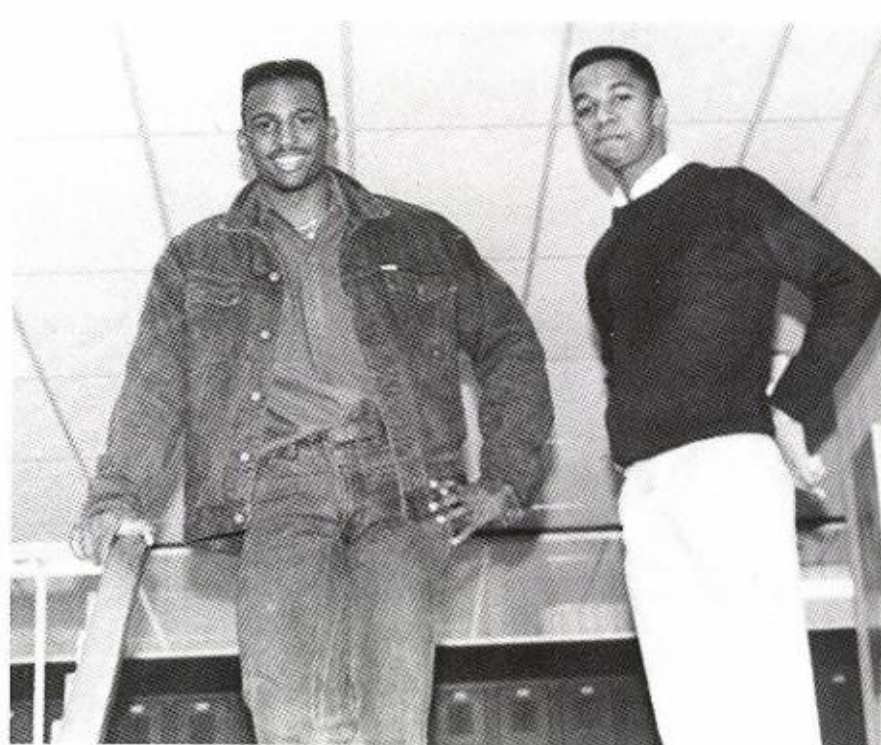

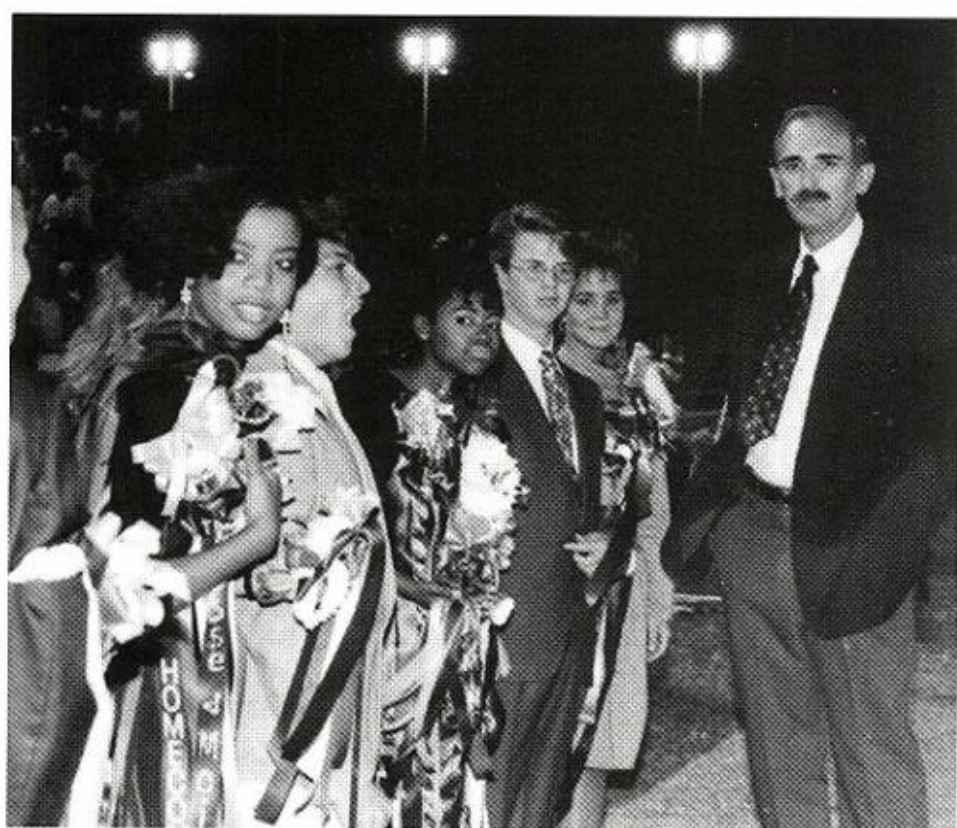

As the memories of our parents differ greatly from ours, so will you remember your high school adventures differently even from your best friend. Each student at Waltrip contributes something different, but always special to the overall outcome of the year. All of the likes and dislikes, great times and troubled times of each student make each day different from the rest. From the rowdy excitement of a pep-rally to that talk with a friend at lunch, the feelings are captured in this section. The Memories section brings together all the various activities and events of the year, forming the kaleidoscope view you will see as you look back at the 87-88 school year.

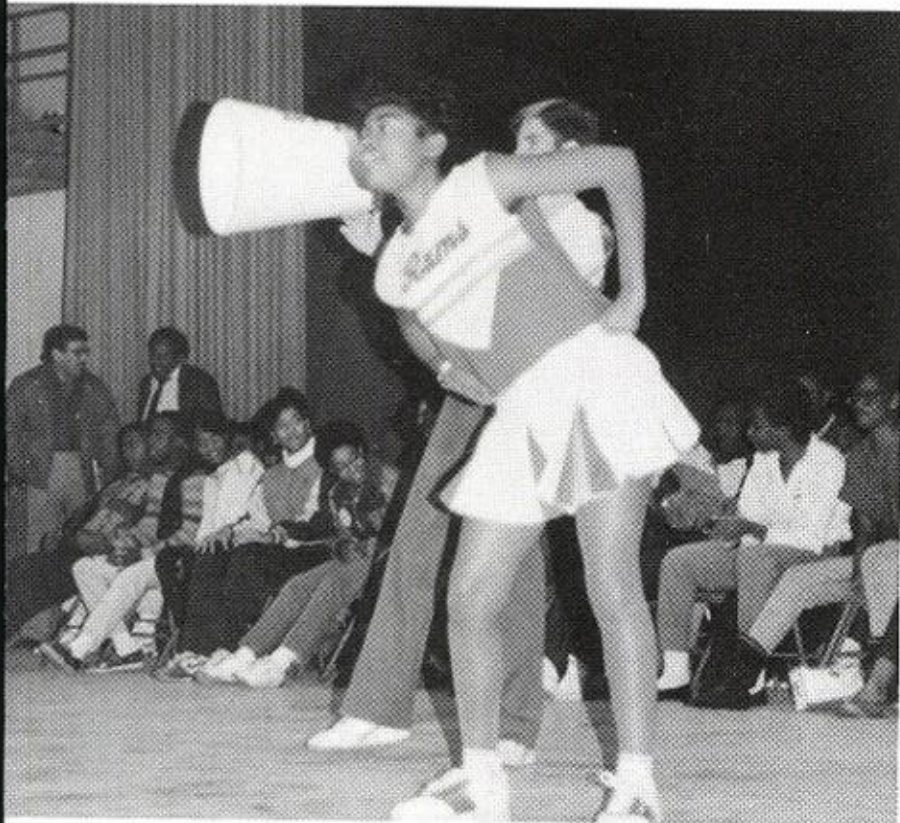

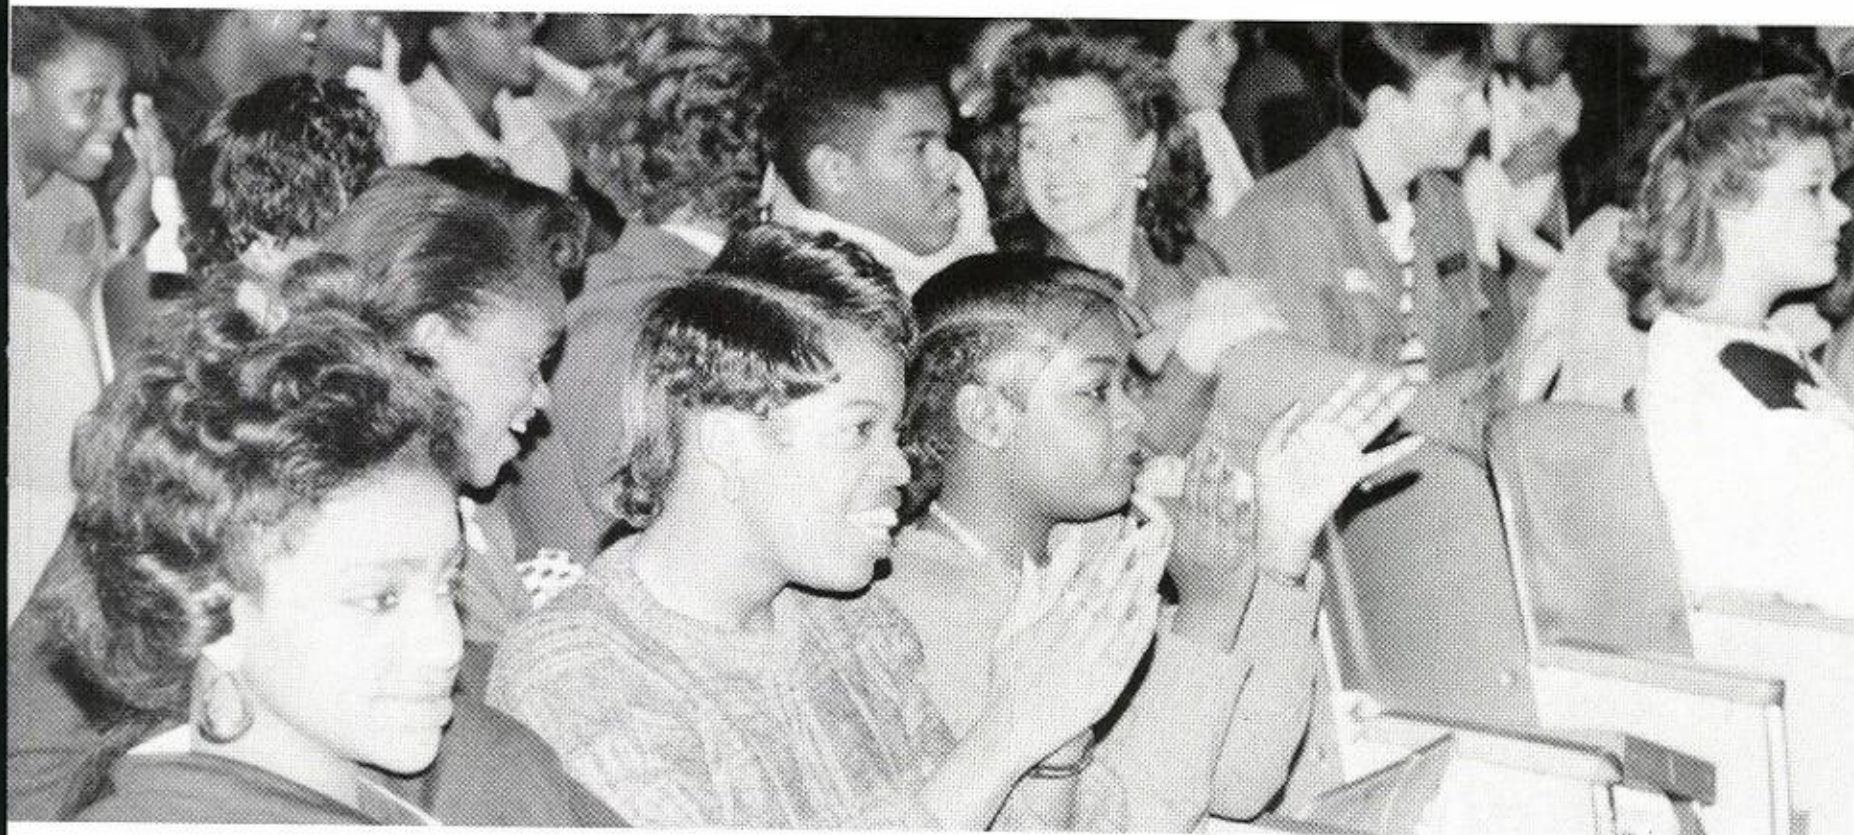

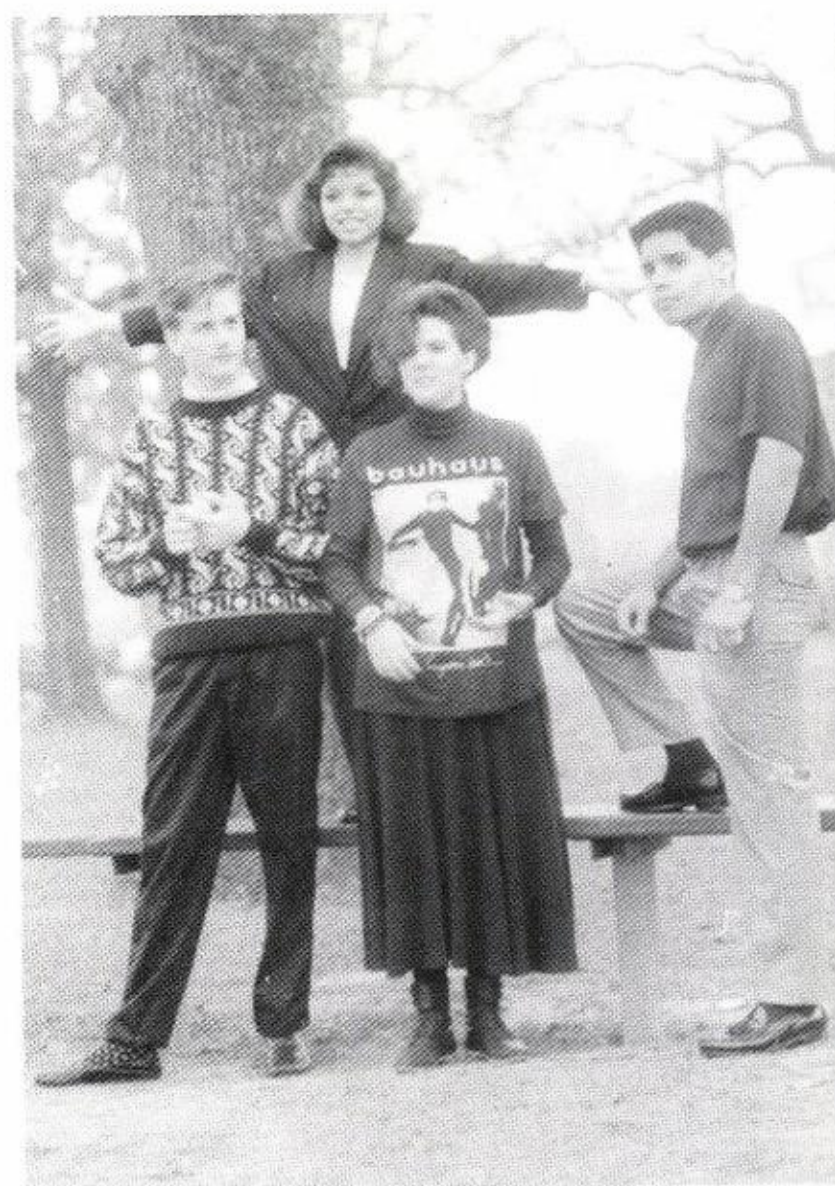

Basketball Pep Rally

The arrival of basketball season was celebrated with two January pep rallies. The coaches introduced their teams to the student body and promised an exciting season. The students showed their true Waltrip colors with enthusiastic cheers as they gave the teams encouragement and support.

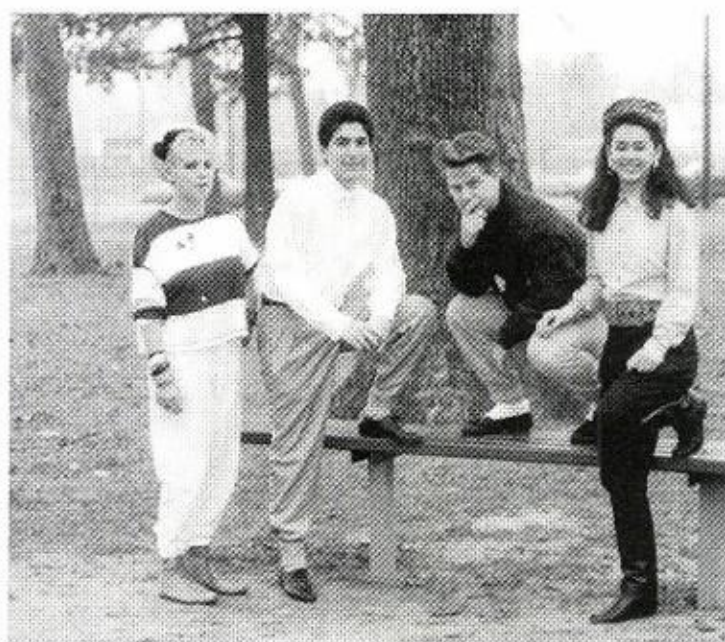

Fashion Statements at Waltrip

1988 was an exciting year for fashion at Waltrip High. We were able to observe a transition from the silver jewelry craze to friendship bracelets and scarves. Guys no longer had to rely on top siders to be "in." They could

now use their own styles. The students pictured on these pages were chosen as most fashionable by their classmates. Each reflects his or her own style, whether it be preppie, new wave, or a combination of both.

Who's that standing next to Patricia?

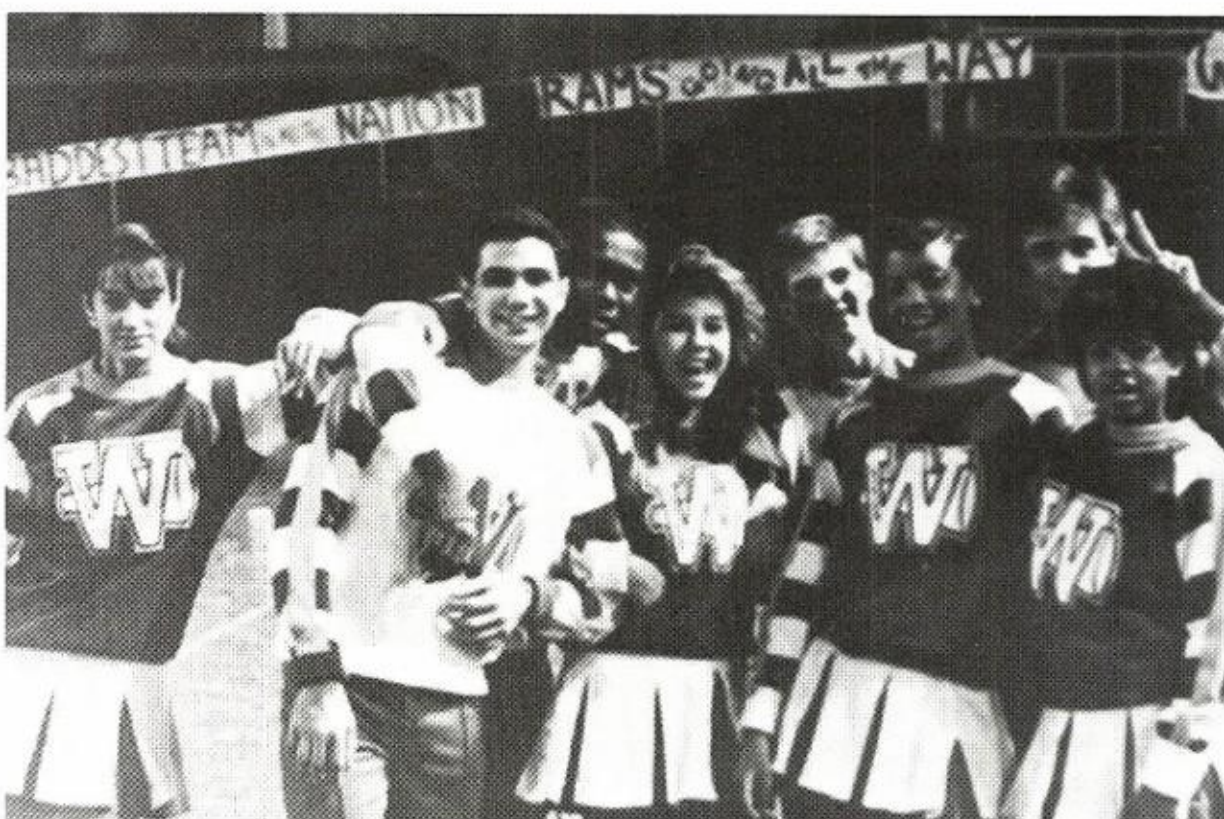

The 1987-88 Cheerleaders have done an exceptional job encouraging school spirit. They attended all football, basketball, baseball and volleyball games and lead the student body in support of each team. They also painted many signs for the games and organized pep rallies. Last summer they attended cheerleading camp at Southern Methodist University and received superior ratings and awards for excellence. Thanks for an exceptional year!

Rams Off To A "Rush"

Pre-Season Record 4-1

The Waltrip Rams opened the pre-season with a loss, but bounced back in their second game against Lee with a convincing win. The streak continued in their next four games as they closed the pre-season with a 4-1 record for the second straight year. The Rams emphasized their running game, and it paid off as they outrushed the opposition by 200 yards.

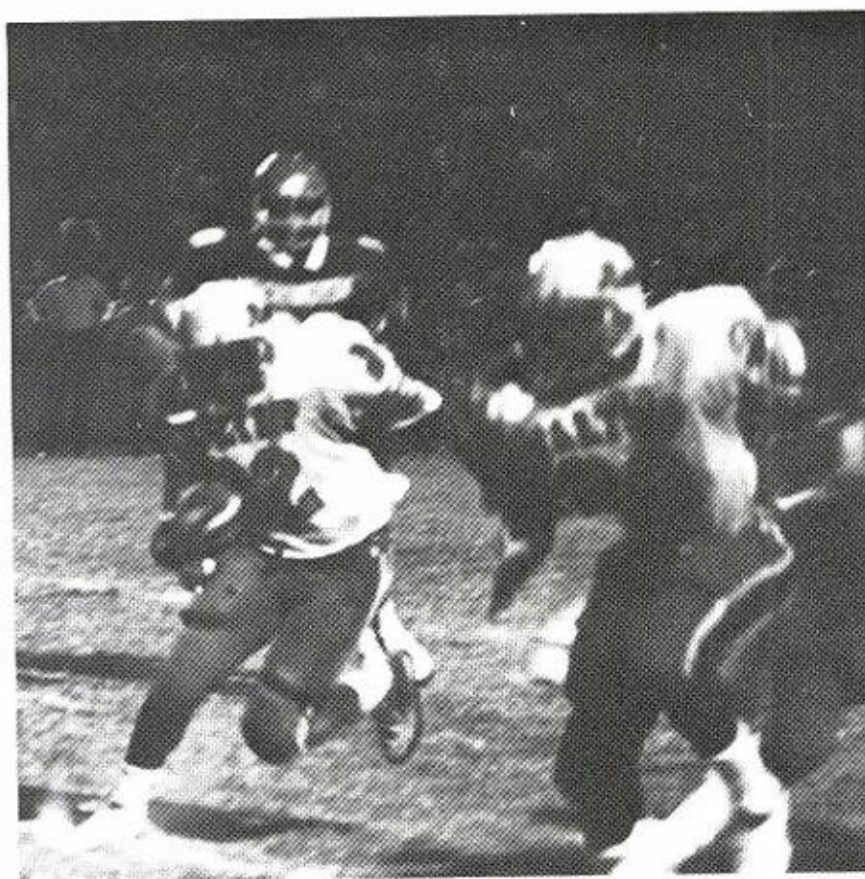

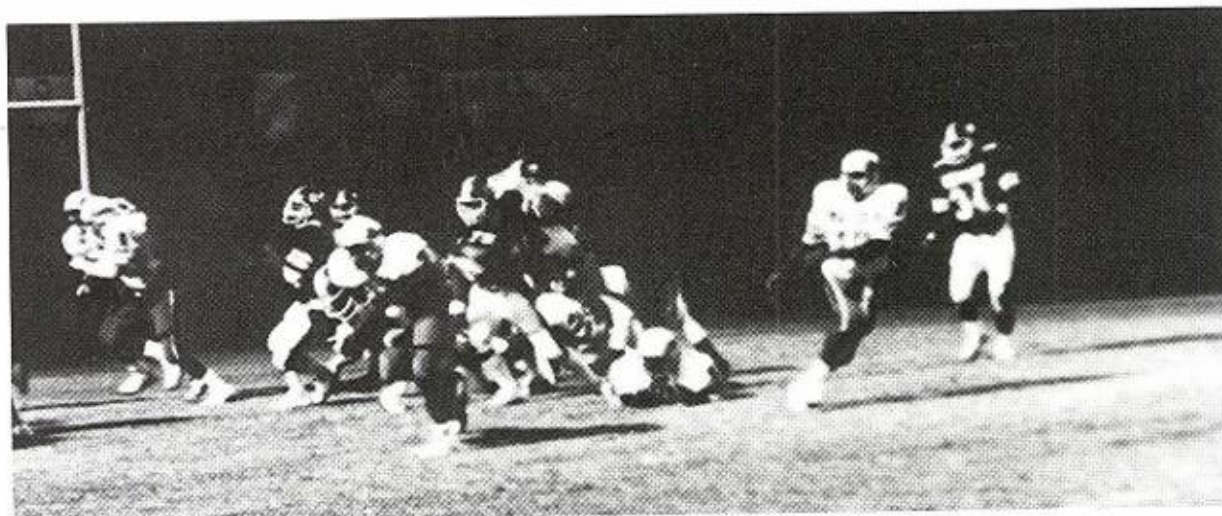

Waltrip "Rolls" Over Reagan

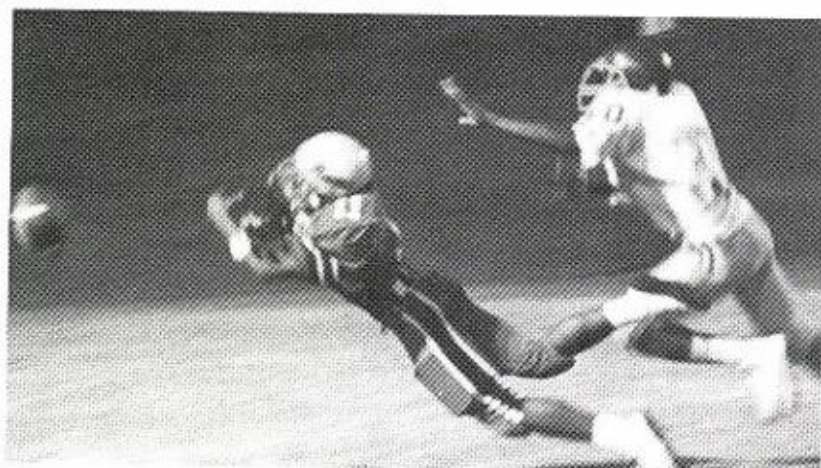

The Rams continued their winning ways, as they opened up district play against Reagan with a 34-6 win. In the first half, Jarrod Milburn scored on a five yard run and Finis Turner returned a pass interception 25 yards for a touchdown. Ernie Franklin's one yard run late in the third topped off the win.

Waltrip "Wringes" Washington

Waltrip produced 342 yards and five touchdowns which helped them past Washington 40-0. Only one of the six touchdowns they scored came by a pass, that from Adrian Hosey to Jarrod Milburn. Two touchdowns came on fumble recoveries. Brian Craft converted five of six extra point conversions. Jessie Roberts had 18 carries for 99 yards.

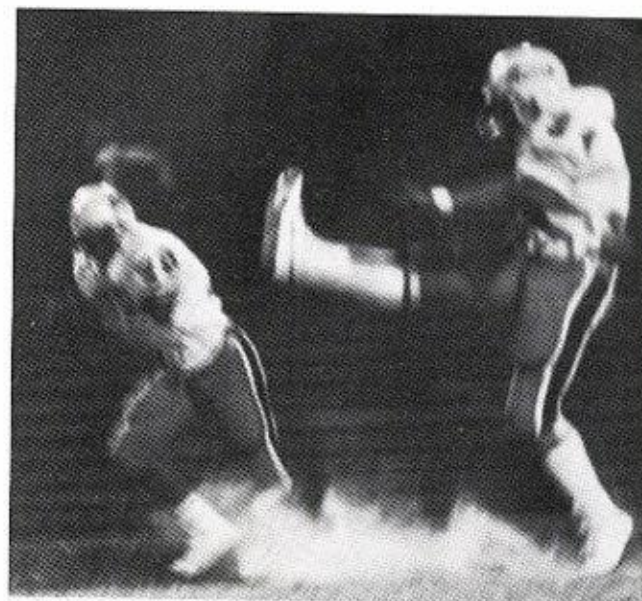

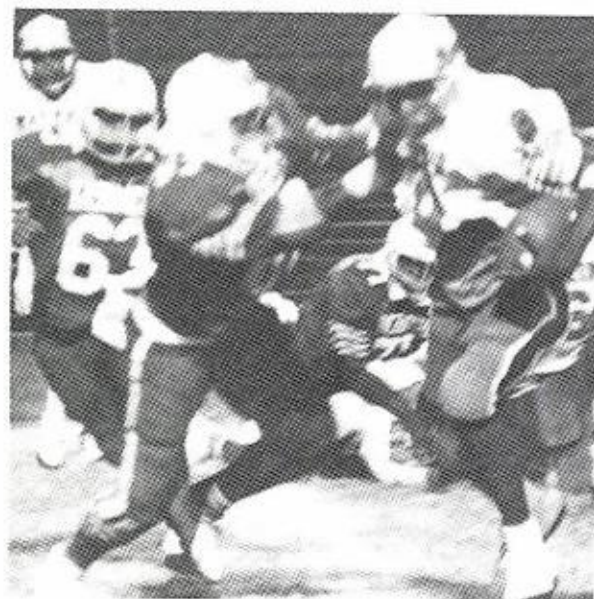

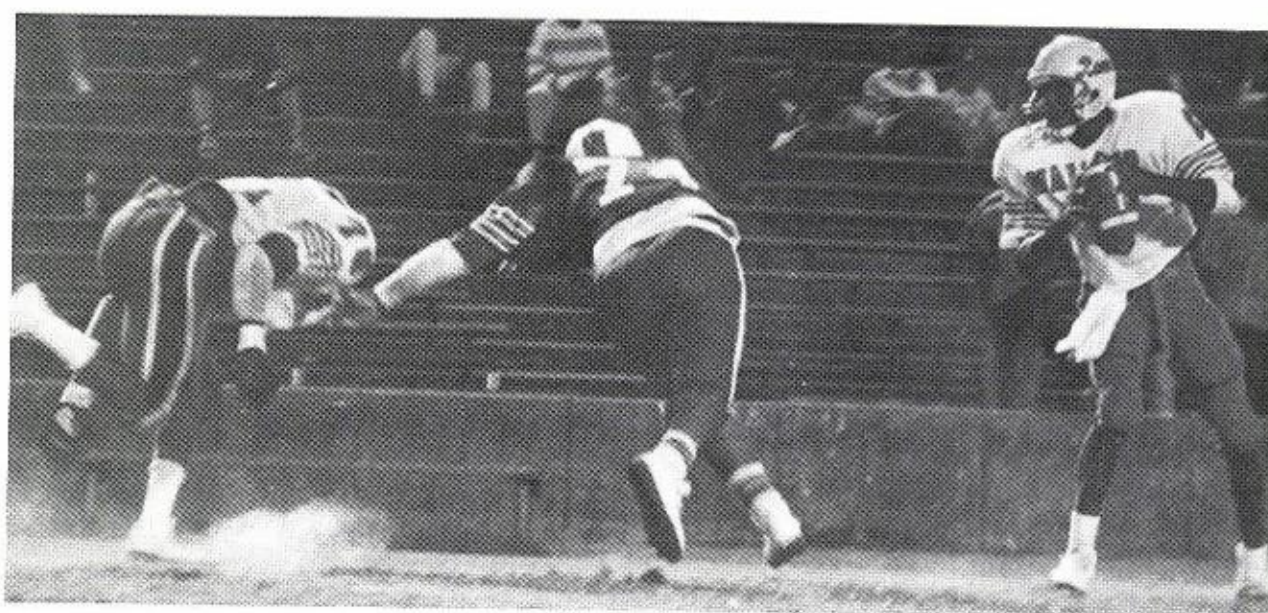

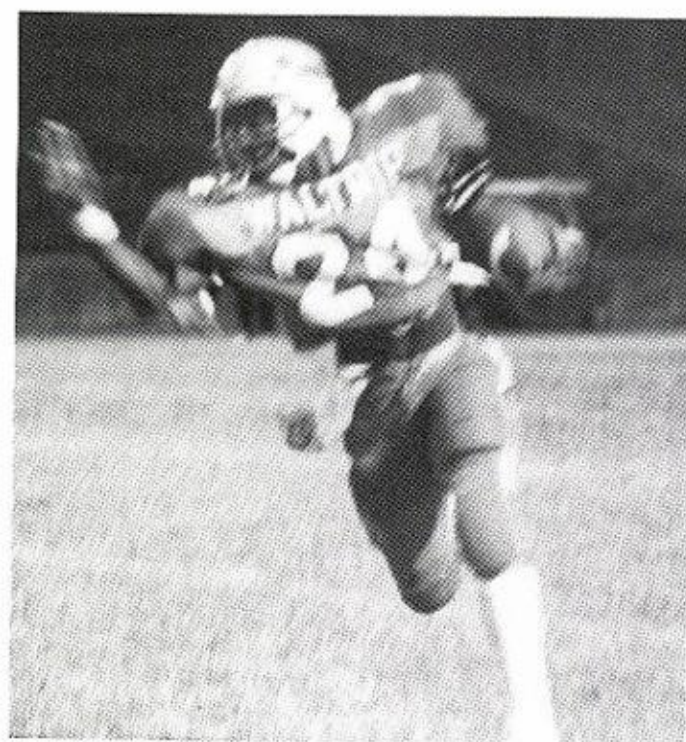

Waltrip "Dumps" Davis

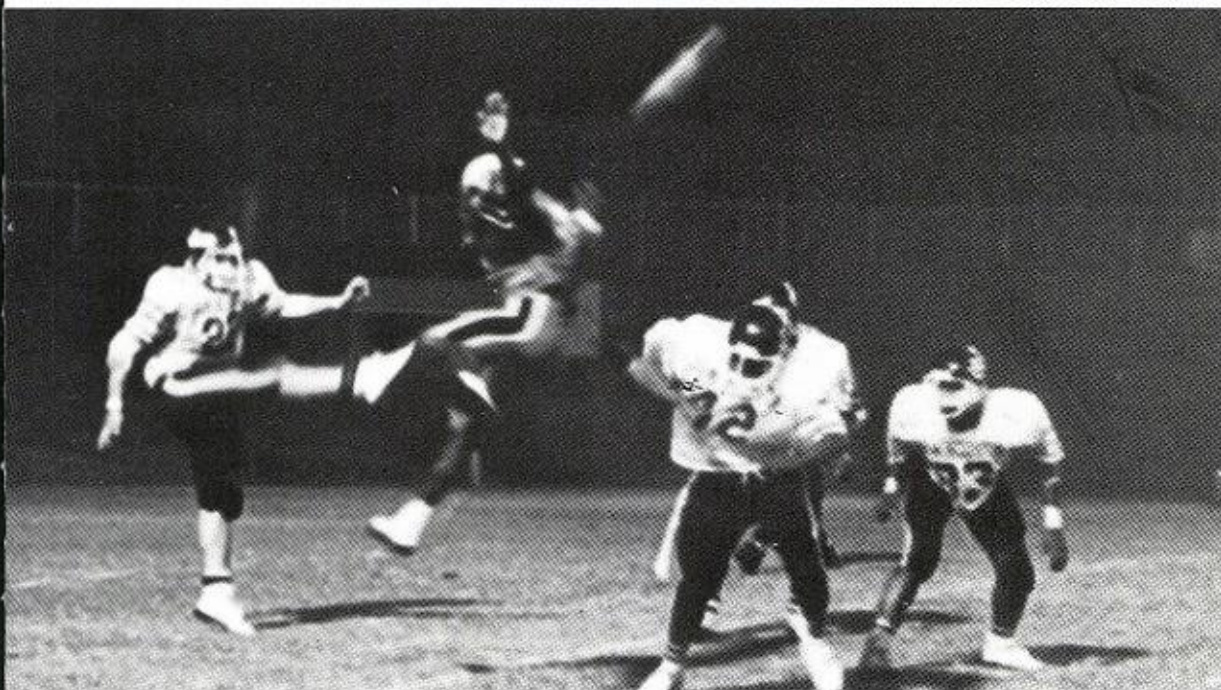

Jarrold Milburn scored three times on runs of 13 and 10 yards. Jarrold and Ardara Harris also connected on a 19 yard pass touchdown. Milburn gained 110 yards on 11 carries and Roderick Edwards contributed 101 yards on three carries. The Rams lead 28-14 at halftime, but scored 41 points in the second half to beat Davis 69-14. The win put its district record at 3-0 for the season.

Waltrip "Krushes" Kashmere

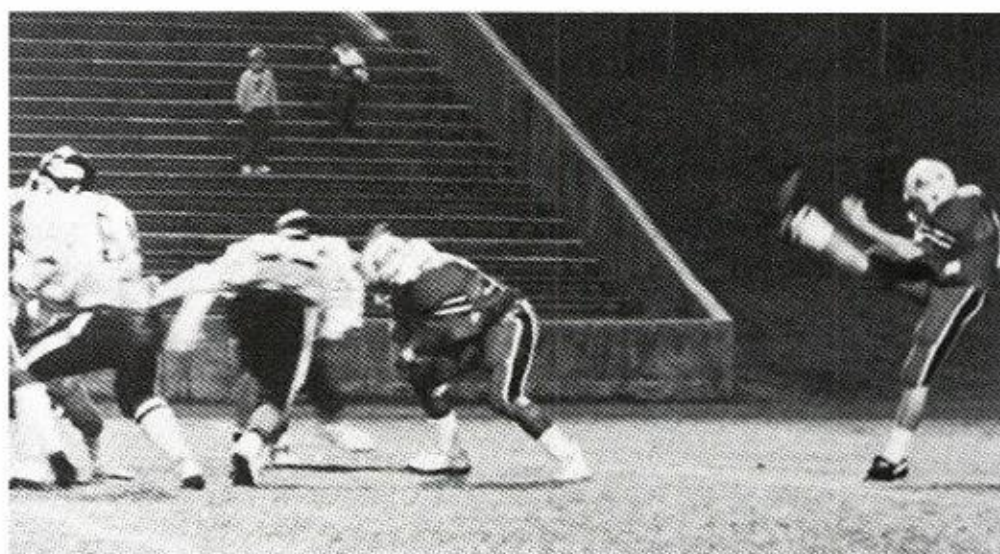

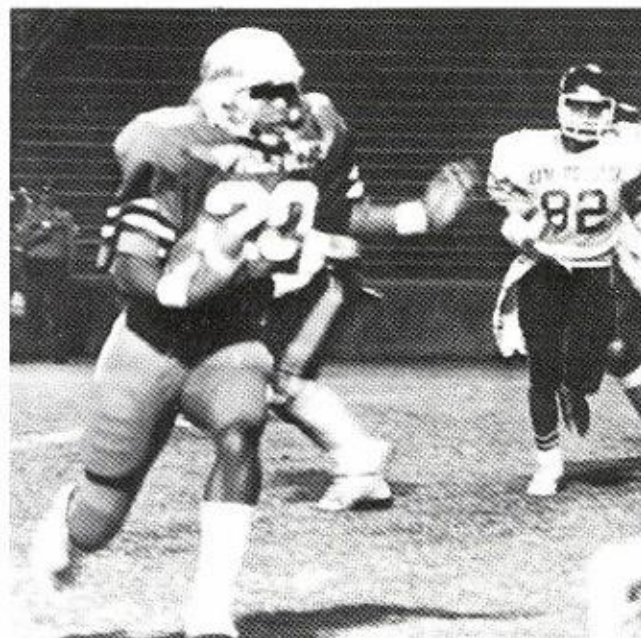

After a scoreless first half, Waltrip went for a touchdown and safety in the second half. Jarrold made his thirteenth touchdown of the season by putting the finishing touches on a 62-yard, 12 play drive with a 13-yard scoring scamper. In the fourth quarter, Waltrip added a safety on a tackle by Ernie Franklin, who teamed up with Leric Eaton, Finis Turner, and Richard Davila to hold Kashmere to seven first downs. Jarrold led Waltrip with 84 rushing yards to 94 for Kashmere's Roger Eaton.

Waltrip "Slams" Sam Houston

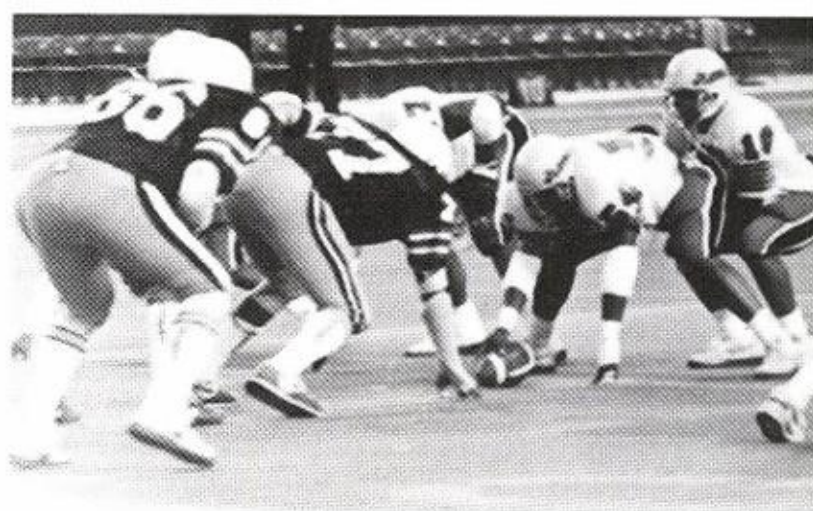

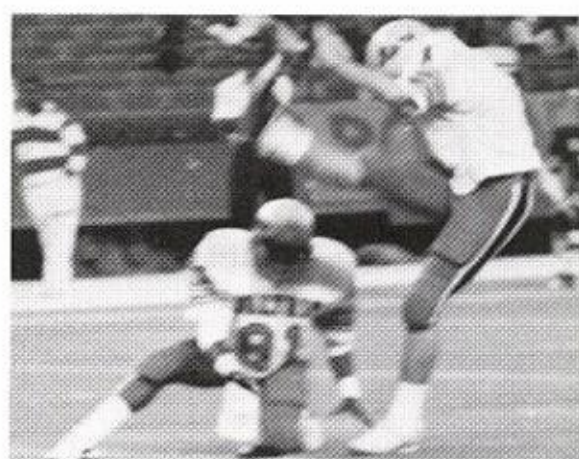

The Waltrip Rams, playing in their last game of the year, defeated Sam Houston 42-0, giving them the district title. Ardara Harris got the Rams on the score board with a 27 yard pass to Adrian Hobley. Milburn added three touchdowns to make the score 28-0 at halftime. In the second half Roderick Edwards had an 82 yard kickoff return, Finis Turner had two interceptions which helped the defense hold Sam Houston to only 9 first downs and 128 total yards.

Playoffs

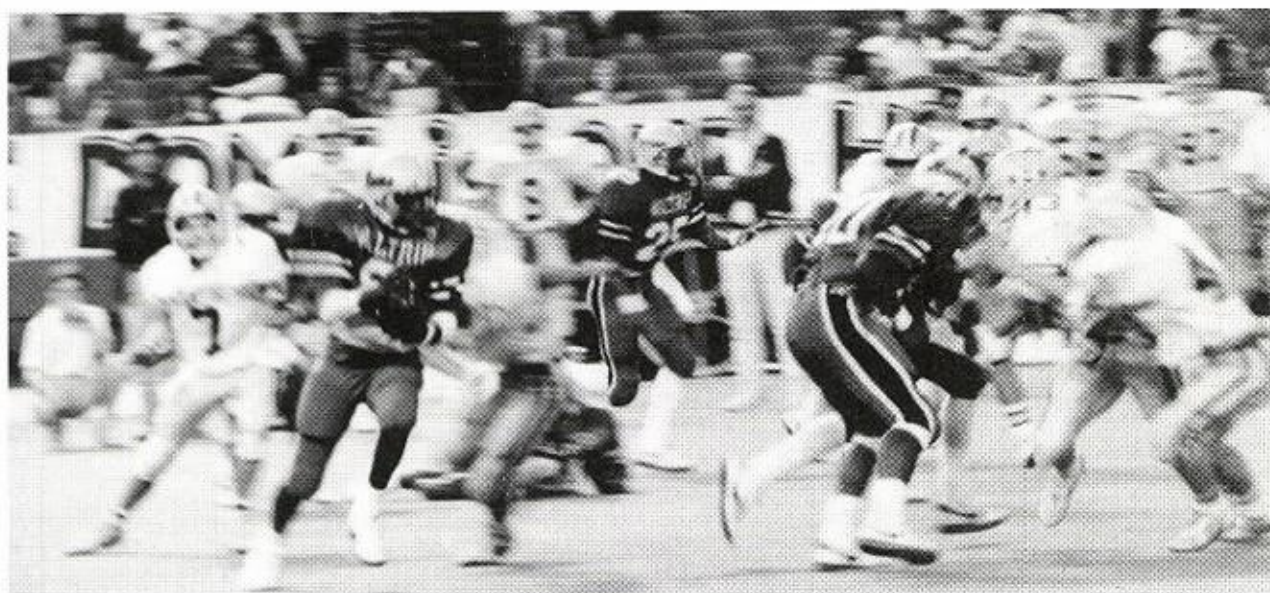

Waltrip vs Sterling

Waltrip opened the 1987 playoffs against the Sterling Raiders. The Rams got out to an early lead, and led 16-6 at halftime. They scored 14 pts. in the second half and never looked back. The lead was increased to 36-6 by the end of the game. The offense was lead by their running game which totally dominated the Sterling Raiders defense. The Rams advanced to the second round of the playoffs to play the Stratford Spartans.

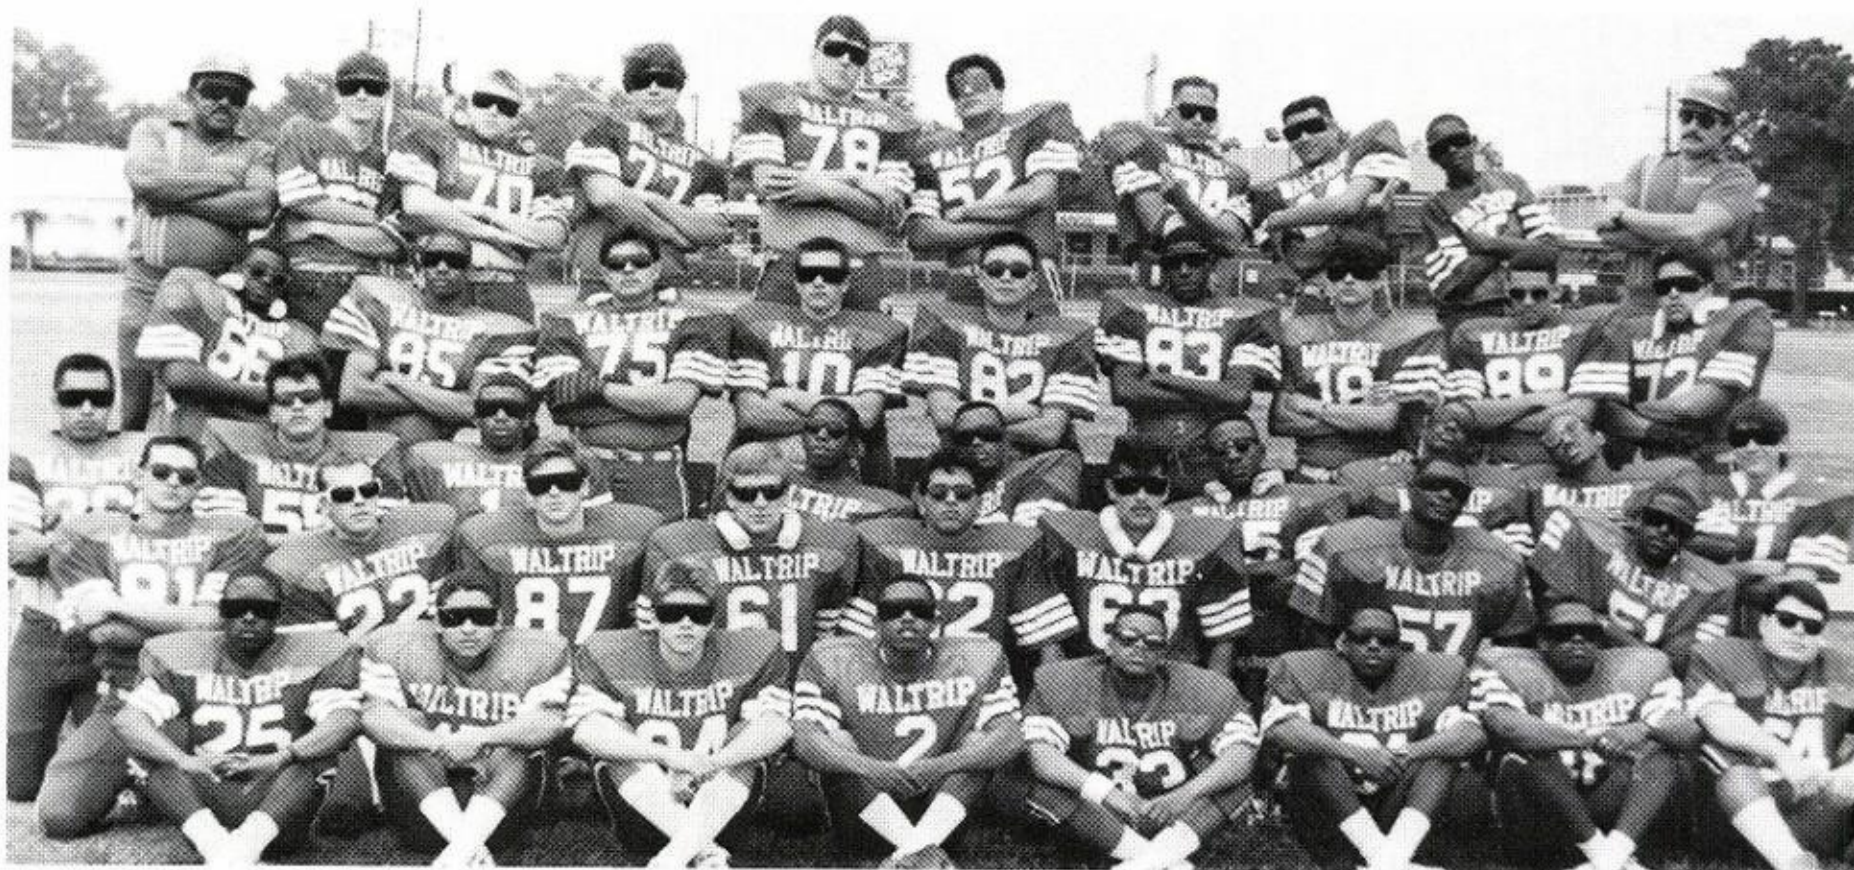

Playoffs

Waltrip vs. Stratford

By making it to the second round of the playoffs against Stratford, the 1987 Waltrip Rams advanced farther than any other team in their 27-year history. Stratford scored first, but Waltrip answered in the second quarter with a one yard run by Jesse Roberts. They added a field goal by Brian Craft with three seconds left in the half to lead 10-7. Van Malone opened the second half with a 82 yard kickoff return. After that it was all Stratford as they scored 17 points to take the lead 24-16. The Rams had one final chance as they tried a "Hail Mary" pass, which was caught on the one yard line as time ran out. The way the Rams lost was heartbreaking , but they can be proud of an exciting and history making season.

There were no varying shades of success for the Varsity Volleyball team, coached by Toby Ingersoll. They stuck to the brilliance of victory throughout the district season, ending with a 10-0 record.

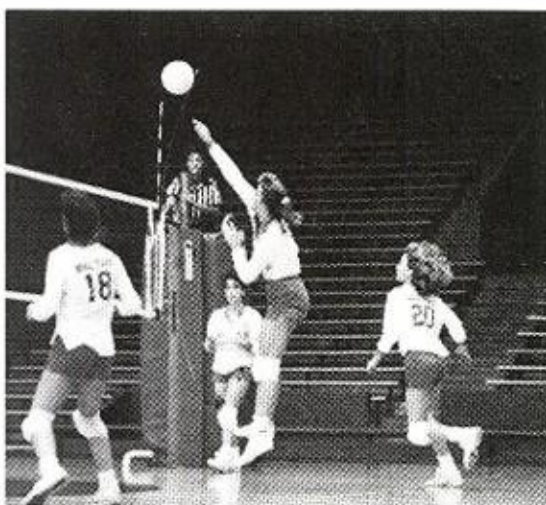

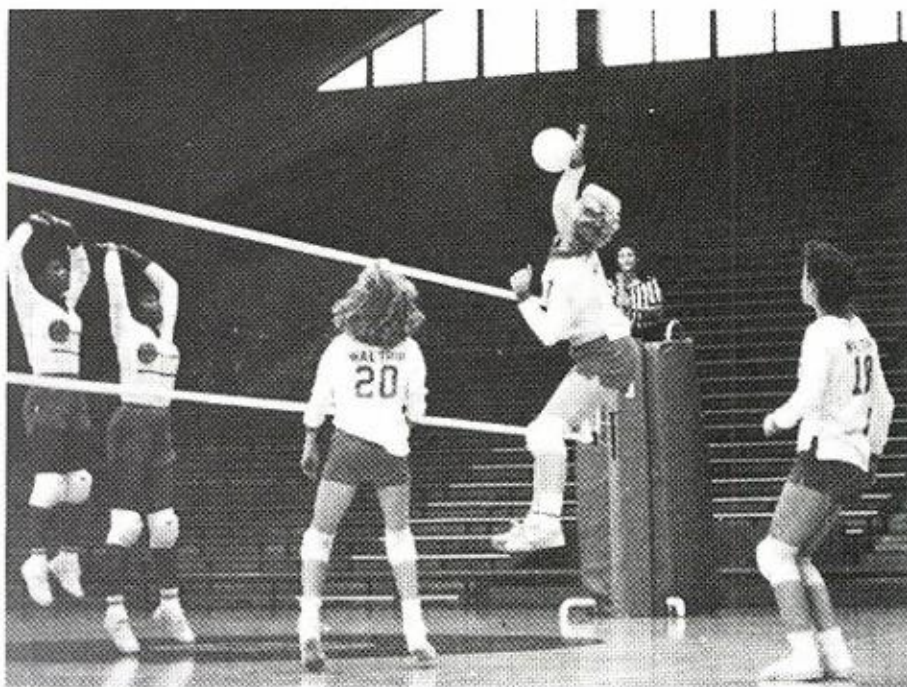

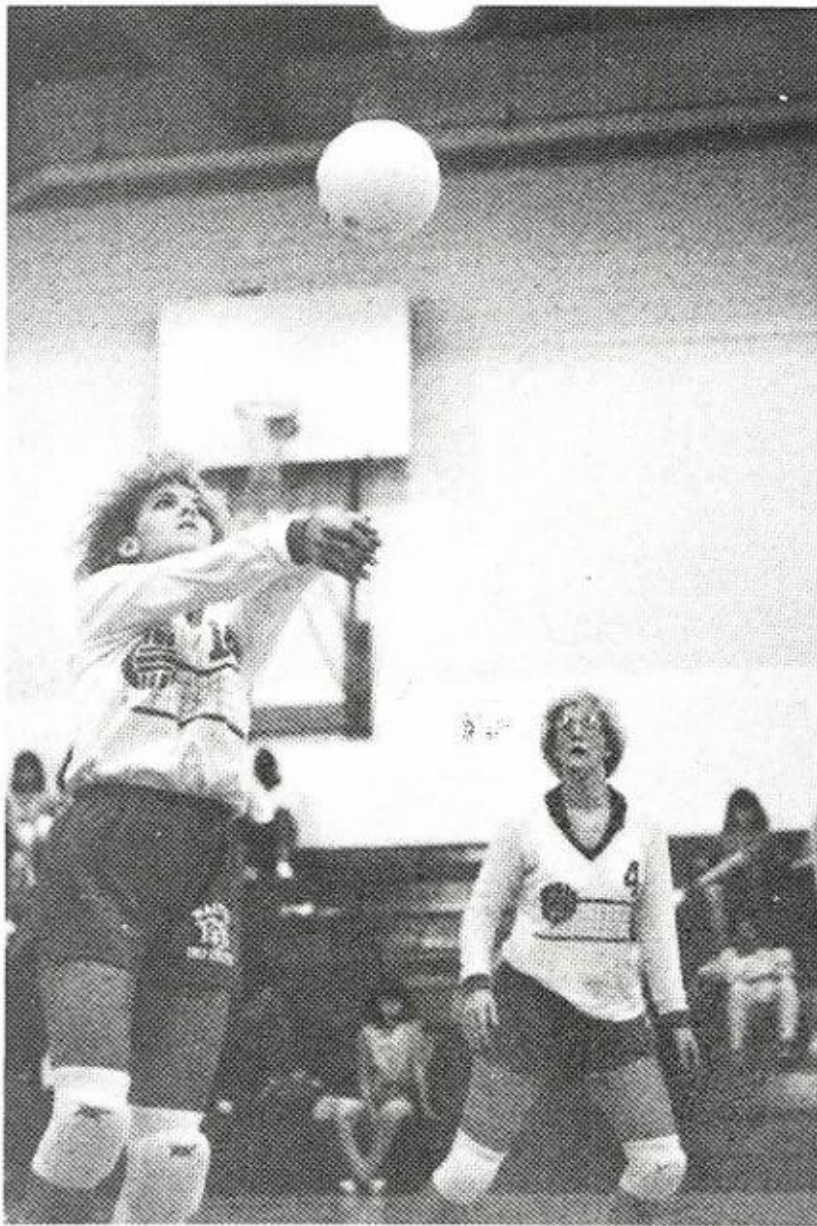

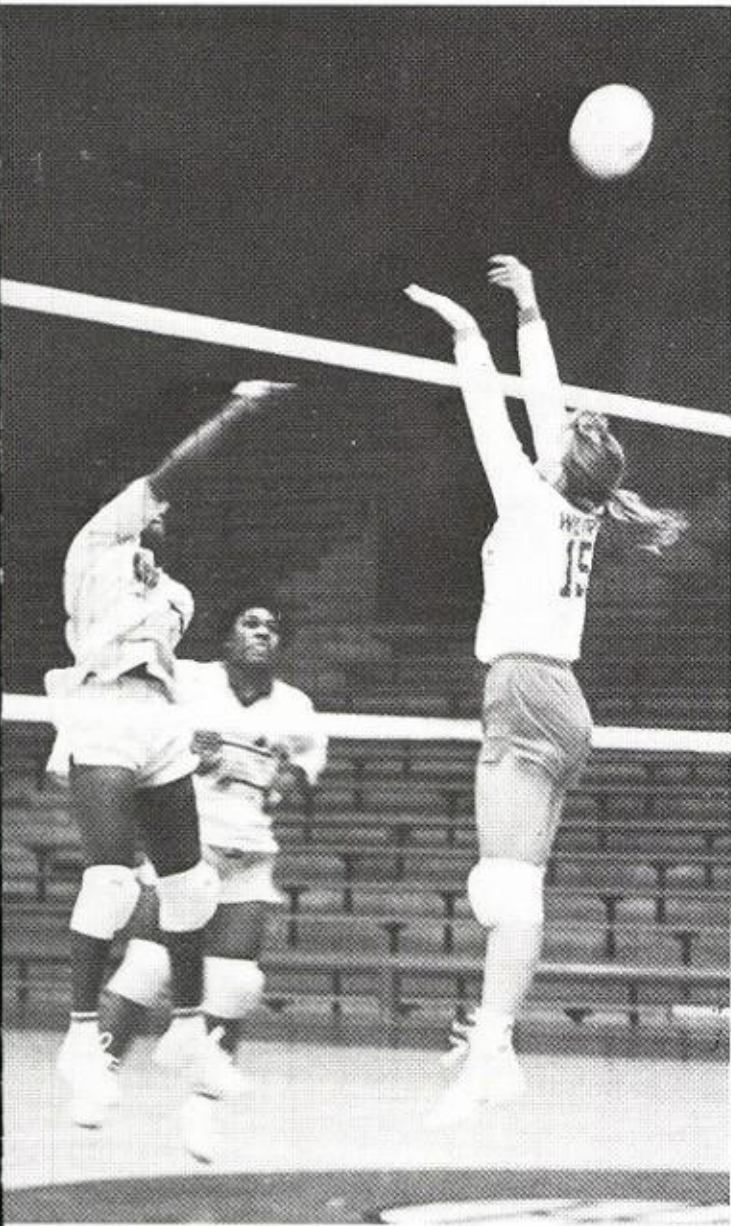

The team entered the play-offs and pulled together to win the first game against Milby, making them bi-district

champs. The season ended in a brilliant display of individual talent and team work against the Springwood Tigers. Even though they lost, the Rams were proud because they had played a fantastic game!
